CLARIFICATION N°1

**Call reference:** GP/EFSA/AFSCO/2017/03  
**Call title:** Detection and quantification of allergens in foods and minimum eliciting doses in food allergic individuals

**Question 1:** If the project budget is 800,000 €, that EFSA would still "only" contribute 375,000 €? If the total project costs are set at 375,000 € EFSA would only contribute half of that, around 180,000 €

**Answer:** Yes. Both interpretations are correct. EFSA contribution has 2 thresholds: First maximum 50% of the total eligible project costs and the maximum possible amount of EFSA grant for an individual project is 375,000 €
