Call titles:

- Detection and quantification of allergens in foods and minimum eliciting doses in food allergic individuals
- Smart monitoring of airborne plant pathogen: advances in aerobiology and molecular diagnostics and remote sensing to support risk based plant health surveillance in the EU

CORRIGENDUM TEXT:

Section 1.7 – Payments, pre-financing payment (paragraph on page 8) is modified as follows:

ORIGINAL TEXT:

- **Pre-financing payment**, upon grant agreement entry into force, without need for a request for payment, up to **50%** of the maximum grant amount set out in the grant agreement; the aim of the pre-financing is to provide the beneficiaries with a float; it remains the property of the EU until the payment of the balance. Please note the exact amount and % of pre-financing will be determined at the time of awarding the grant;

MODIFIED TEXT:

- **Pre-financing payment**, upon grant agreement entry into force, without need for a request for payment, up to **60%** of the maximum grant amount set out in the grant agreement; the aim of the pre-financing is to provide the beneficiaries with a float; it remains the property of the EU until the payment of the balance. Please note the exact amount and % of pre-financing will be determined at the time of awarding the grant;

The above modification to the text of the call for proposals can be viewed in track changes in the updated version of the call for proposals and guide for applicants which is published on the EFSA website with this corrigendum.
