

## List of competent authorities of the Member States within the framework of Regulation (EC) No 1924/2006 of the European Parliament and of the Council of 20 December 2006 on nutrition and health claims made on foods

As provided in June 2007 by the European Commission.

*Most recent revision: **10 July 2019** (based on information provided by the Member States).*

*Notes:* The list will be updated as appropriate in the light of latest information received. EFSA advises applicants to check the most recent version before submitting an application or alternatively to contact the National Competent Authority of the Member State for specific requirements prior to submission of applications for health claim authorisation to Member States.
