

Note to the attention of the Management Board of the European Food Safety Authority

Presentation of the redeveloped EFSA Journal and discussion on the future development of the journal

Background

At the 69th meeting of the Management Board in June of this year, the Board was made aware of the redevelopment of the EFSA Journal and requested further information on the project and a demonstration of the capability of the newly developed journal platform.

The agenda item will comprise two parts:

a. PowerPoint presentation to briefly describe:

1. The rationale behind EFSA's decision to redevelop the journal;
2. The expected benefits;
3. The status of the project;
4. Future journal development and its link to organisational Strategic Objectives.

b. Demonstration

A live demonstration of the EFSA Journal on Wiley Online Library will be provided to highlight the key features and functionalities.

The Board is invited to review and comment on the redeveloped journal and to provide input on priorities for the future development of the journal.
