6. Scientific outputs submitted for discussion and possible adoption

6.1. Draft Scientific opinion on the risks for public health related to the presence of aflatoxins in food (EFSA-Q-2018-00698)⁸

The Chair of the WG on Aflatoxins introduced the changes implemented in the opinion based on the comments received during the public consultation. The CONTAM Panel adopted the opinion including the proposed changes and endorsed the public consultation report that will be published together with it. The Chair of the Panel thanked the WG and EFSA staff for their work.

6.2. Draft Scientific opinion on the risks to human health related to the presence of perfluoroalkyl substances in food (EFSA-Q-2017-00549)⁹

The Chair of the WG on PFAS in food introduced the draft opinion. The Panel discussed the sections on considerations of critical effects, risk characterisation, uncertainty analysis, conclusions and recommendations. Pending the modifications agreed during the discussion, the CONTAM Panel endorsed the draft opinion for the public consultation, which will indicatively take place between mid-February and mid-April 2020.

6.3. Draft Scientific opinion on the risks for animal and human health related to the presence of glycoalkaloids in feed and food, in particular in potatoes and potato-derived products (EFSA-Q-2016-00240)¹⁰

The Chair of the WG on Glycoalkaloids in food and feed introduced the draft opinion. The CONTAM Panel discussed and, pending minor modifications, endorsed the section on risk characterization and discussed the section on uncertainty analysis. The opinion will be presented for possible endorsement for public consultation at the next meeting of the CONTAM Panel.

7. New expert compensation scheme, extension of current Panel mandate and mutual assessment of EFSA staff and experts

The Head of the RASA department informed the Panel about the changes introduced by the New Transparency Regulation and the implication to the Scientific Committee and Panels, in particular in relation to the extension of the term for the current mandate of the EFSA Panels, the new expert compensation
