## 1. Welcome and apologies for absence

The Chair welcomed the participants. Apologies were received from Manfred Metzler.

## 2. Adoption of agenda

The agenda was adopted without changes.

## 3. Declarations of Interest of Working Groups members

In accordance with EFSA's Policy on Independence<sup>2</sup> and the Decision of the Executive Director on Competing Interest Management<sup>3</sup>, EFSA screened the Annual Declarations of Interest filled out by the Working Group members invited to the present meeting. No Conflicts of Interest related to the issues discussed in this meeting have been identified during the screening process, and no interests were declared orally by the members at the beginning of this meeting.

## 4. Scientific topic(s) for discussion

### **Risk assessment of ochratoxin A in food (EFSA-Q-2018-00699<sup>4</sup>) and Technical report on the Public Consultation on the risk assessment of ochratoxin A in food (EFSA-Q-2019-00163)<sup>5</sup>**

The experts discussed the changes made in the draft opinion, in particular the additional text on human biomarkers, the revised text in the occurrence and exposures sections, the updated section on occurrence in the public literature and the new section on the effects of food processing. Then the responses to the comments received during the public consultation were discussed, in particular those regarding occurrence and exposure. Both documents were amended according to the discussions. The Chair of the WG agreed that the opinion should be tabled for adoption and the report for endorsement at the next CONTAM Plenary 31 March – 2 April.
