Documentation relating to the joint submission of dossiers:

There are two notifiers for the renewal dossier of aluminium silicate (kaolin):

- Tessenderlo Group N.V.
- Société Kaolinère Armoricaïne (SOKA)

SOKA contacted Tessenderlo Group with regards to forming a Task-Force. As neither SOKA nor Tessenderlo Group have data gaps in their dossier that would warrant the formation of a Task-Force, it was decided not to pursue this negotiation any further.

There will be no joint dossier submission for aluminium silicate (kaolin).
