

EFSA grants:

WHY, WHAT, HOW

EFSA may award grants to organisations which are designated by their Member State to assist EFSA with its mission and which are included on the Article 36 list of Competent Organisations. The list of eligible organisations to whom EFSA grants may be awarded is updated regularly and details of how new organisations can be included on the list is available at <https://www.efsa.europa.eu/en/partnersnetworks/scorg>.

When applying for EFSA grants, organisations may apply alone or in consortium with other Article 36 organisations, unless specified differently in the call for proposals. Applications may also involve some subcontracting, including with non-Art.36 organisations under certain conditions specified in the call.
