 Summary Report

 Open scientific debate

 Input from each participant

 Around 25 participants each

 Participants allocated on the basis of their expertise & affiliation

EFSA Scientific Colloquia are:

- NOT:
 - attempt to agree on details of a strategy
 - identify who is right and who is wrong
- BUT RATHER:
 - a multidisciplinary scientific debate
 - identifying & acknowledging existing gaps

Presentations by each BO-group at plenary sessions

Publication of summary report on EFSA website and in booklet format (autumn 2022)

International Workshop during public consultation of draft of updated RBA Guidance (summer 2023)

Wishing you a frank, open
and constructive discussion!
