Why EU-FORA?

“Ensure preparedness for future risk analysis needs”
(EFSA Strategy 2027, Strategic Objective #2)

**Objectives
(EFSA Strategy 2020)**

Attracting mid-career professionals to become risk assessors through learning by doing

Increase the pool of experts available in Europe

Intensifying exchange and cooperation among national food agencies and EFSA

Stimulate MS involvement in the risk assessment work

Harmonising risk assessment methodologies & practices across Europe

Build a common EU culture for risk assessment

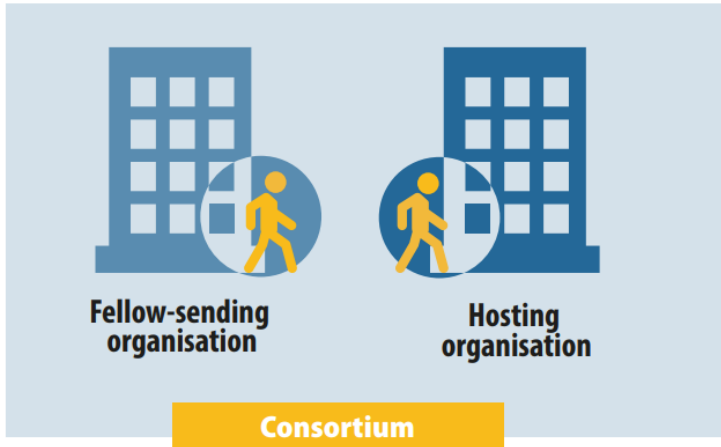

**Objectives
(EFSA Strategy 2027)**

EU-FORA so far

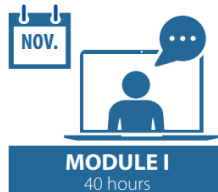

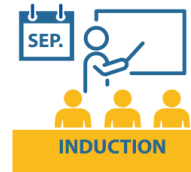

- 87 Alumni members
- 15 ongoing fellows
- 46 different hosting sites in 16 MS & UK
- Over 70 supervisors

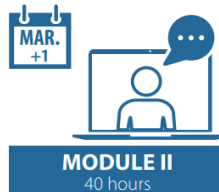

How does it work?

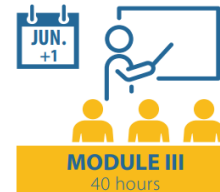

- ▶ The **fellow-sending organisation and the hosting organisation apply** to the fellowship programme **as a consortium**, identifying the fellow and proposing the programme.
- ▶ The **fellowship lasts for 12 months**, during which time the fellow is released from his/her regular tasks to follow a work programme offered by the hosting site.
- ▶ Although most of the work programme is followed remotely, around one third of the time will be spent at the hosting organisation **gaining first-hand experience**, with the aim of enhancing knowledge exchange and networking.
