

## CLARIFICATIONS

### Q&A AT LIVE EVENT ON 23/03/2023

**Call reference and title:**

**GP/EFSA/PLANTS/2022/09:** Estimation of pest survey parameters for Priority pests

**GP/EFSA/PLANTS/2022/10:** Development of crop-based survey tools for plants pests of fruit-bearing vegetables (Lot 1), cereals and fibre crops (Lot 2), grape, berries and exotic fruits (Lot 3), palms and ornamentals (Lot 4) in the EU

**QUESTION 1:** Can participants to this webinar form a consortium among them?

**ANSWER 1:** Yes, Art. 36 organisations can create a consortium and apply jointly.

**QUESTION 2:** Are the calls meant to select a preliminary list of organisations to carry our future work, or are the winning organisations immediately entrusted the work?

**ANSWER 2:** We intend to sign one agreement per lot. You can apply for one or more lots.

**QUESTION 3:** Is it relevant that crops are grown in the country?

**ANSWER 3:** Expertise in specific crops is needed, the formation of a consortium where the expertise is present is possible. Please refer to section 2.4.B of the Call for proposals for exact requirements
