Below the navigation bar, there are links for '+ New', 'Page details', and 'Analytics'. The main content area has the EFSA logo and the title 'What is this microsite about?'. The text below the title states: 'This microsite is intended at raising visibility and sharing information about the 2023-2027 operational framework of the Focal Point (FP) Network, as well as at getting EFSA's Units involved in its activities' implementation.'
