

88TH ADVISORY FORUM
STOCKHOLM, 27-28 JUNE

DEVELOPMENT OF A ROADMAP FOR ACTION ON AGGREGATE EXPOSURE

EXPOADVANCE
OC/EFSA/ED/2022/04

Julia Fabrega,
Science Coordinator
Chief Scientist Office

BACKGROUND – NEW ROADMAP ON AGGREGATED EXPOSURE

AIM OF THE ROADMAP

Map the current status of methodologies and tools used for aggregate exposure

Identify data gaps

Identify and prioritise areas of work

EFSA VISION 2030

EFSA together with its partners will have developed (1) a **harmonised cross-cutting methodology** and **regulatory guidance** for aggregate exposure assessment (2) will be able to provide **access harmonised data** to support the regulatory implementation of aggregate exposure assessment.
