

### CLARIFICATION N°3

**Call reference:** GP/EFSA/PLANTS/2023/04

**Call title:** Develop a stepwise approach for a fit for purpose risk assessment, in particular for low-concern active substances and uses

**Question 1:** Could you tell me if this call provides for overhead cost? if yes, what would be the percentage?

**Answer 1:** The form of grant awarded under this Call is based on financing not linked to the costs of the relevant operations in accordance with Article 125 (1)(a) of the EU Financial Regulation, therefore NO overhead costs are foreseen.
