UPGRADED TOOL FOR SUBMISSION OF TM PROPOSALS

What's new?

- **One single tool** for submission of new tailor-made proposals **instead of two**

- Possibility to indicate whether you are **looking for additional partners or not** when submitting the proposal

- **Microsite, Guidelines** on use of TM tool and **explanatory document** on FP framework updated

The screenshot shows the Microsoft Lists interface for a list named 'Tailor-made proposals submission tool (TM tool)'. The interface includes a header with 'Microsoft Lists' and navigation options like '+ New', 'Share', 'Export', 'Automate', and 'Integrate'. Below the header, the list name is displayed with a star and a refresh icon. The main form area contains a 'New item' section with a 'Proposing entity (-ies) *' field. Below this field, there is a checkbox labeled 'Looking for additional partners?' which is checked. Underneath the checkbox are two buttons: 'Yes' (highlighted in green) and 'No'.
