# Bilateral Cooperation with Portuguese Speaking Countries

# Bilateral Cooperation with Portuguese Speaking Countries

Technical Visits

Training Sessions

Meetings

Lab Support

Exchange Info & Doc

# Bilateral Cooperation with Portuguese Speaking Countries

## - Activities examples -

### Brazil

- Fraudulent Olive Oil Exported to Brazil
- Collaboration with our Brazilian counterparts to detect and seize the fraudulent products.
- Exchange of information about Portuguese wines

### Administrative Region of Macao

- Annual training sessions
- Supporting Macao authorities in Portuguese **wine's entry** in their market

# Bilateral Cooperation with Portuguese Speaking Countries

## - Activities examples -

### Angola

- High end Portuguese wines were being counterfeited and sold in Angola. ASAE alerted the local authorities and worked together in tracing the products origin.
- Also with the recent locust bean gum contamination, in 2021, ASAE alerted its counterparts in Angola due to possible food batches, produced in Portugal, exported to Angola.

### Mozambique

- Laboratory Analysis of Sea food samples, allowing MZ to export those products to the EU

**INIP**

Instituto Nacional de Inspeção  
do Pescado, IP

# Bilateral Cooperation with Portuguese Speaking Countries

## - Activities examples -

### ASAE-BfR

The launch of the **Food Safety Almanac, including the Community of the Portuguese Speaking Countries - special edition** (February 2017)

### ASAE-BfR-ARFA

ASAE- BfR – ARFA co-organized the workshop “Nowadays challenges of evaluating the emerging risks on food safety” (April 2018)

# Multilateral Cooperation with Portuguese Speaking Countries

# FISAAE

Fórum das Inspeções de Segurança Alimentar e das Atividades Económicas

- Forum for the Portuguese Speaking Countries' Economic and Food Safety Authorities
- ASAE is a founding member and permanent secretariat
- Permanent dialogue among authorities
- Information and Best practices exchange
- Training
- Goal: Rapid Alert System

# Thank you!

José Pedro Vieira
