UPDATE ON FP NATIONAL EVENTS FILE -> MONITORING FILE

Updates

- ✓ Updates of the already existing file [Focal Point National Events.xlsx](#)
- ✓ More user-friendly: drop-down lists
- ✓ More information to be collected

Importance of the monitoring file

- Give visibility and share best practices on events implemented throughout the year
- Support FP reporting (incl. identification of any bottlenecks) and information gathering to feed KPIs

Country	Date (start and end date)	Title	Type of event (if not among the proposed options, please specify in the cell)	Regional, national or international event	Expected number of participants	Format	EFSA Participants (if any)	Name of EFSA Participants/Unit involved	If applicable any Co-organisers (FP and countries)
