Please consult your dashboard

For any questions you may have please send an email to the food system support SANTE-E-SUBMISSION-FOOD-CHAIN@ec.europa.eu

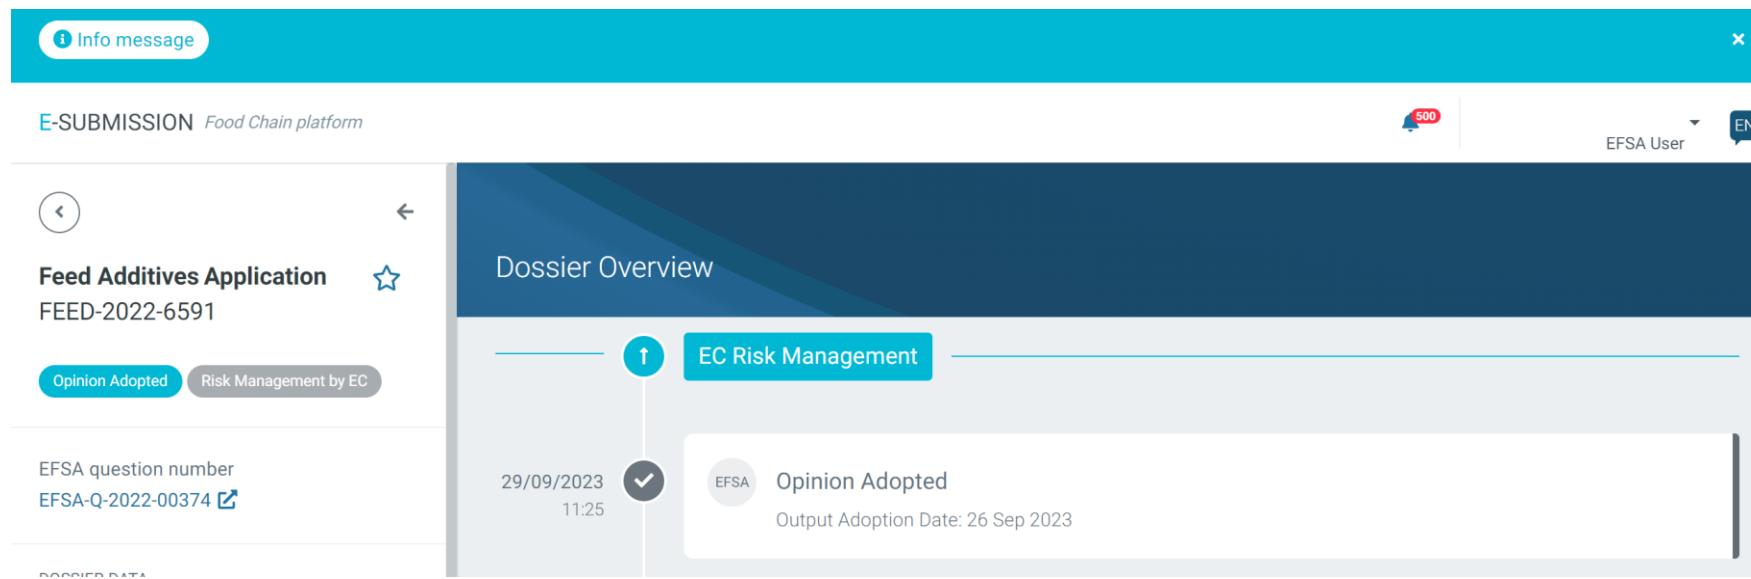

Kind regards

ACCEPTANCE

EFSA OPINION ADOPTION NOTIFICATION

- **EFSA Opinion adopted:**
 - What: a notification informing about the **adoption of the opinion**
 - When: **after adoption**

The screenshot shows the EFSA E-SUBMISSION Food Chain platform. At the top, there is an 'Info message' bar with a close button (X). Below it, the header includes 'E-SUBMISSION Food Chain platform', a user icon with '500' notifications, and 'EN' for English. The main area is titled 'Dossier Overview' for a 'Feed Additives Application' (FEED-2022-6591). The status is shown as 'Opinion Adopted' (highlighted in blue) and 'Risk Management by EC' (greyed out). The EFSA question number is 'EFSA-Q-2022-00374'. A central box displays the 'Opinion Adopted' status with a checkmark, the date '29/09/2023 11:25', and the text 'Output Adoption Date: 26 Sep 2023'.

PRE-PUBLICATION NOTIFICATION

- **EFSA Opinion pre-publication**
 - What: a notification informing about the imminent publication, the opinion is shared under embargo
 - When: at least 36 hours before publication
 - Comments: e.g., **confidentiality matters** (although no new confidentiality requests can be submitted at this stage), **manifest typographical errors** or other **objective inaccuracies**
 - **Deadline: 24 hours before publication, no extension of deadline**
 - **Attachments are not accepted**
 - **Complementary e-mail sent by EFSA to inform about the novelty**

COMMENTS RESPONSE AND PUBLICATION RELEASE NOTIFICATION (IF APPLICABLE)

- **Comments response:**
 - What: a notification informing that EFSA has **responded to comments**
 - When: as soon as the reply to comments is available
- **Publication release**
 - What: a notification informing about the **resuming of publication process, in case of publication put on-hold**
 - When: as soon as the process is resumed

ADVANTAGES & NEXT STEPS

- Complement the set of automatic notifications received via ESFC (e.g., output publication)
- Streamline of procedures and information flow
- All the info in one unique place
- Update the **Administrative guidance for the processing of applications for regulated products**
- **Complementary e-mail sent by EFSA dismissed after the update of the Administrative guidance**
