

54th Focal Point meeting
24-25 April 2024, Parma

ACTIONS POINTS 53RD FP MEETING

Elina Ciekure, FP Team, ENREL

ACTION POINTS

Completed

- ✓FP to present the finale version of the guidance: Joint working between FP and CEN.
- ✓FP to complete the national signature process of the SA on PA the by the 1st of December 2023.
- ✓EFSA following the agreed process to kick-off the planning exercise for certain TM activities as soon as the assessment process of TM activities proposals is concluded.
- ✓FP to raise awareness among relevant parties including Art.36 organisations - and other potentially interested parties - on EFSA Webinar on funding opportunities in the EFSA 2024 workplan on 4 December.

Ongoing

- FP to share examples of best practice materials prepared by FP and used during various events, both within the network and with EFSA, along with materials utilized in surveys and summaries of survey results among FP and EFSA.
- FP to continue to support creation of new partnerships by raising visibility of EFSA G&P calls among relevant national organizations and experts and by supporting them before and during application process.
- FP to support raise visibility of the Risk Communication Summer School and to provide information to the Dutch FP on the identified interest to participate in it.

To be addressed in this meeting

- ❖EFSA to evaluate need and possibility to organize a session on DICO2 including all FPs.
- ❖EFSA to analyze the information submitted by FP on bottlenecks and success factors in application for G&P calls and bring discussion on what can be done in EFSA and also with support of FP to address the bottlenecks preventing Art.36 organisation to fully engage in G&P calls.
