Acting director

European Commission, DG AGRI. B - Sustainability

EU institutions and other bodies

Directorate B aims at promoting and ensuring the sustainability of the EU agricultural and forestry sectors across its economic, environmental and social dimensions. The Directorate provides analysis, guidance and support to geographical units for ensuring the proper design, development, implementation of the CAP Strategic Plans and the assessment of their performance. The directorate provides DG AGRI position in other EU policy areas (climate, environment, health, social) and ensures that CAP objectives are considered. Directorate B also develops and manages the organic production policy in the framework of the CAP, including the implementation of the Action Plan for the development of organic production.
