

ENGAGEMENT AT EFSA

Matthew Ramon
Team leader, Strategic engagement

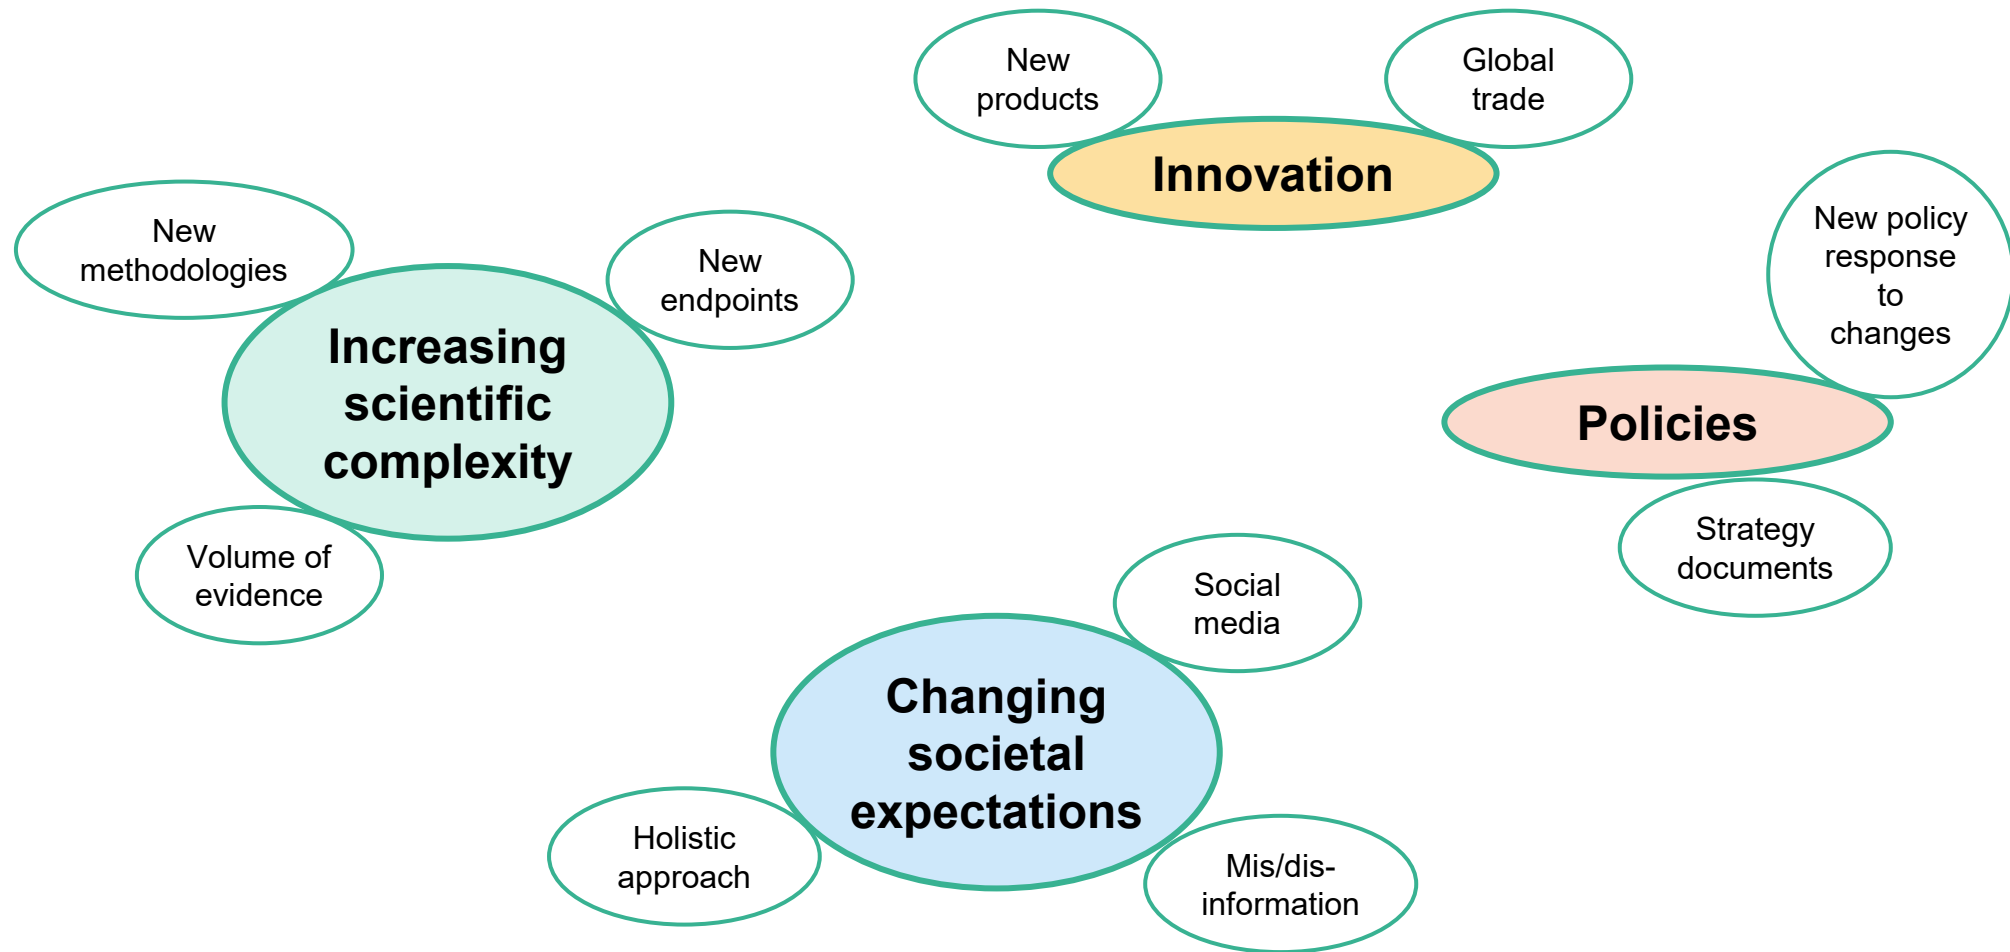

The background of the slide is a blurred aerial view of a city, likely Rome, with a prominent dome visible in the distance. A large circular graphic is centered on the left side, divided horizontally into an orange top half and a grey-blue bottom half. Inside the circle is an aerial photograph of a city area with a mix of green trees and urban buildings. Overlaid on this image is the title text.

The big picture: engagement at EFSA

- Why does EFSA engage with third parties?
 - Why is it important?
 - How does it work?

SCIENCE IS NOT IMPACTFUL WITHOUT ENGAGEMENT

“EFSA’s value lies in the **quality** of its scientific advice and in the **relevance** of that advice for risk managers and society.”

(EFSA Strategy 2027)

Engagement as an enabler:
