

Emerging chemical risks for public health and the environment

26-27 September 2024

14:00-18:15 (26 September); 09.15-13.00 (27 September)

Draft agenda

Location: EFSA premises (MTG SEAT 00/M07 and MTG SEAT 00/M08); Online (Teams link to join the meeting: [Join the meeting now](#))

Day 1

Time	No.	Item	Presenter/comments
14:00	1	Opening and introduction of Day 1 activities; Welcome speech; Objectives of the workshop.	Bernard Bottex (chair), EFSA
14:10	2	Overview on the legislative proposal on chemical data, in particular on the establishment of an early warning and action system	Aleksandra Malyska, DG-ENV
14:30	3	EEA ongoing activities on emerging chemicals, EWS conceptual overview and expected contribution from partners	Magnus Lofstedt, EEA
14:50	4	Modelling tools for prioritising emerging chemical risks in the food chain	Matthew MacLeod, Stockholm University
15:10	5	The SCREENER project	Anna Undas, WUR and Stefan Hahn, ITEM
15:30	6	EMM and TIM, Document Analytics for detecting and monitoring emerging events	Olivier Eulaert, JRC
15:50	7	Emerging Chemical Risks Identification process at EFSA	Angelo Maggiore, EFSA
16:05	8	ECHA ongoing activities on emerging chemicals and envisaged contribution to the EU-EWS	Fleur Vanbroekhuizen, ECHA
16:25	<i>Coffee Break</i>		
16:50	9	EMA ongoing activities on emerging chemicals and envisaged contribution to the EU-EWS	Zigmārs Sebris and Irina Caplanusi, EMA
17:05	10	Spatial and Temporal scales of Early Warning Systems implemented at MS level: Germany	Nicole Bandow, German EPA
17:20	11	Emerging pollutants and early warning systems in Sweden	Linda Linderholm, Swedish EPA

AGENDA - 26 - 27 September 2024
Emerging chemical risks for public health and the environment

17:35	12	Concepts and tools of the PARC EWS	Lutz Ahrens, SLU
17:55	13	The NORMAN Database System: an infrastructure supporting the EU Early Warning System	Valeria Dulio, INERIS
18:10	14	Wrap up day 1	Bernard Bottex (chair), EFSA
18:15	<i>End of day 1</i>		

Day 2

Time	No.	Item	Presenter/comments
09:15	1	Introduction and objectives of the break-out session	Bernard Bottex (chair), EFSA
09:25	2	Break-out session (two working groups)	Moderators of the break-out sessions
10:25	3	Reporting from break-out session groups	Rapporteurs of the break-out sessions
10:45	<i>Coffee Break</i>		
11:15	4	Plenary discussion: a shared emerging chemical risks identification process: challenges/blockers, opportunities and options for the way forward	Bernard Bottex (chair), EFSA
12:45	5	Conclusions and wrap-up of the workshop	Bernard Bottex (chair), EFSA
13:00	<i>End of day 2</i>
