

94TH ADVISORY FORUM
BUDAPEST, 04-05 DECEMBER 2024

EXPLORING EFSA'S FUNDING PLANS FOR 2025/26

Aikaterini Vlachou

Engagement & Scientific Cooperation Officer
Knowledge, Innovation and Partnership management
Unit (KNOW)

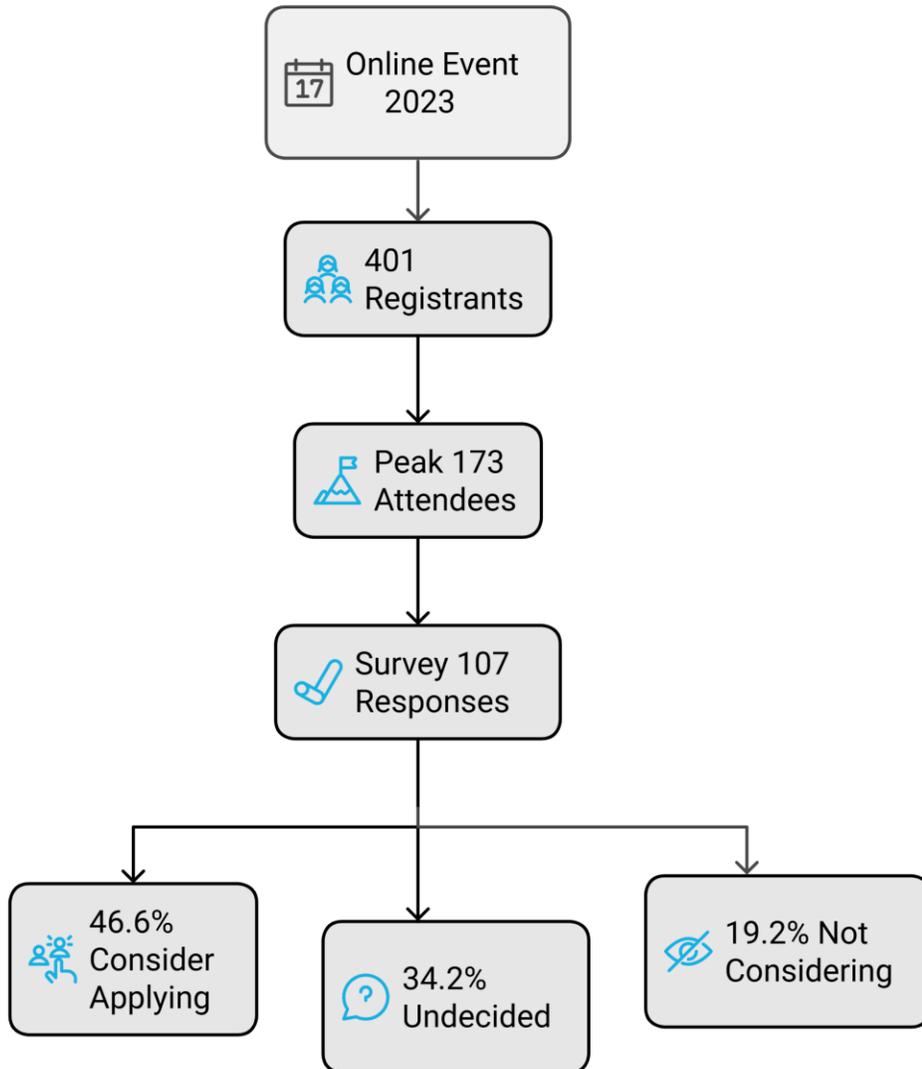

EVENT INFORMATION

[The registration form can be found at this link](#)

STATISTICS & INSIGHTS || EVENT 2023

- **Success in attracting new audience:** 69.9% of attendees had no prior experience with EFSA calls, demonstrating effective outreach and a significant expansion of our audience.
- **Potential for Higher Engagement:** 34.2% of attendees were unsure about applying in the future, giving us an opportunity for targeted follow-ups to convert them into active applicants.
- **Tailoring Our Support:** Attendees' experience with other funding schemes compared to EFSA calls (eg. Horizon Europe) will help highlight key differences and enable us to offer more targeted support.
- **97% rated the event Good/Excellent**

EVENT'S STRENGTHS AND LIMITATIONS

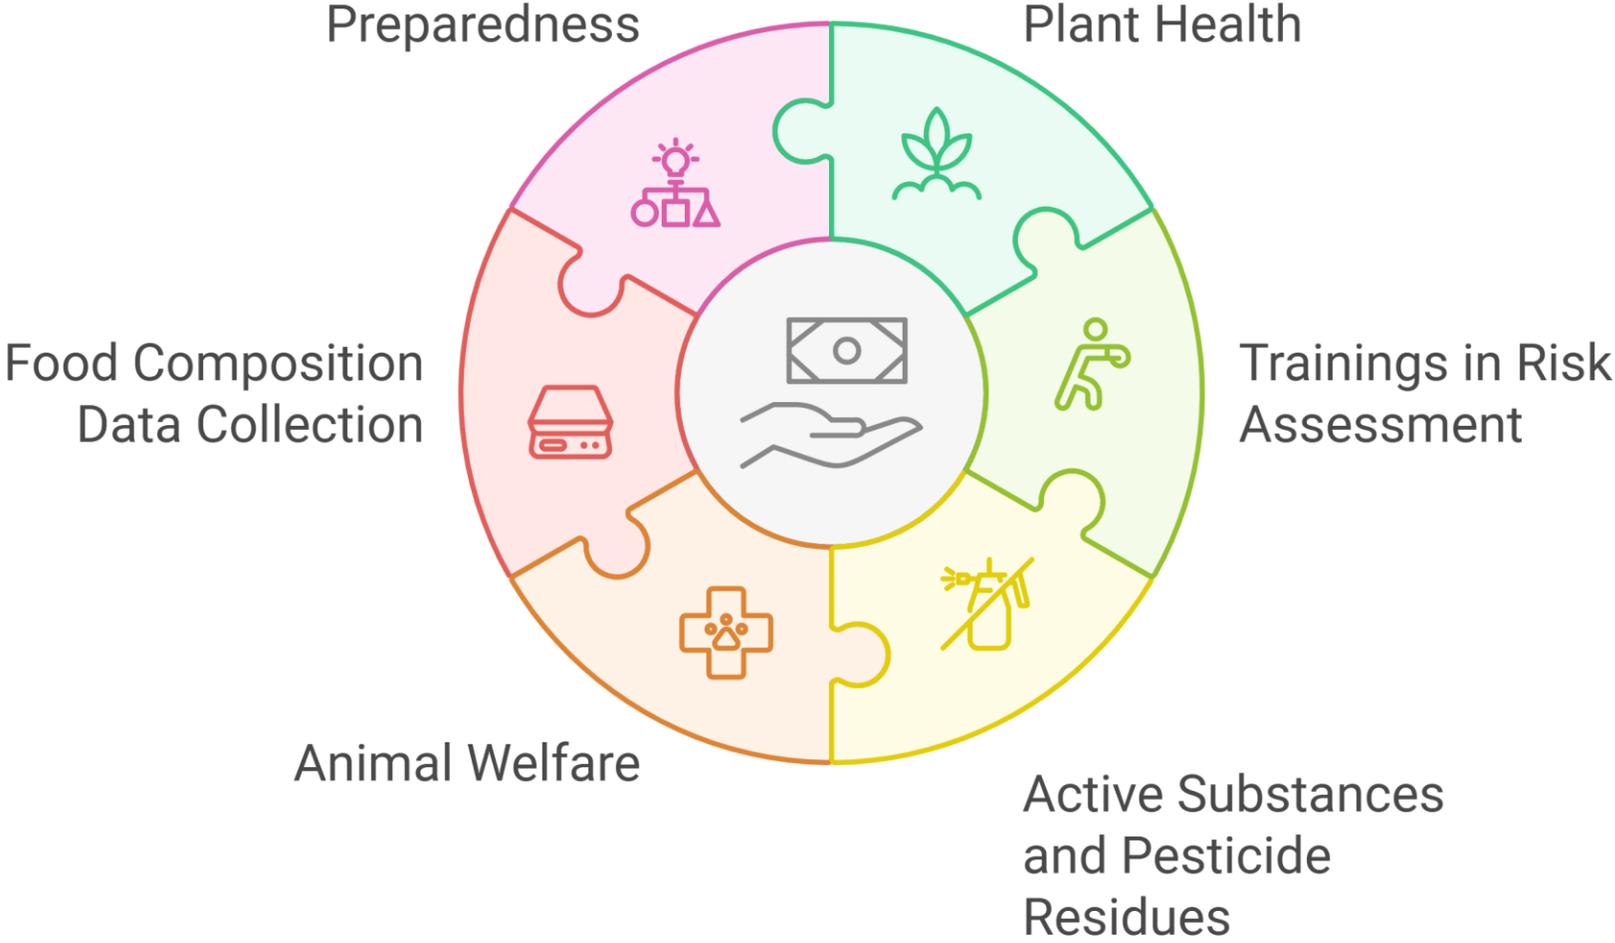

- Increased **awareness** of upcoming funding **opportunities**.
- Improved **knowledge** of EFSA **G&P modalities** through the focused session on financial and administrative requirement.
- Opportunity to address **specific questions** received before/during the event.

- Presentations will give **high-level** views of planned calls.
- A 2.5-hour event **limits** the ability to provide **sufficient details** for every topic.

SCIENTIFIC AREAS OF EFSA'S FUNDING OPPORTUNITIES

 **Disclaimer:** This content provides a high-level overview based on EFSA's current draft work program and might be subject to change.
