Risk Assessment and Ranking of Risks in European Food Safety Systems

28 November 2024, Royal Olympic Hotel, Athens - hybrid

- The event aimed to facilitate the exchange of knowledge and experience among scientists in MSs and gather information on the scientific approaches and implemented methodologies to rank and prioritize risks.
- To stimulate interactions and collaborations regarding the improvement of the current approaches for the risks prioritization in the food chain.

12 Speakers

- 5 MS (IE, FI, FR, PT, SE)
- EFSA
- EFET
- 2 Greek Universities

~180 attendees, 20 countries
