Feedback of the audience

How did you enjoy your evening?

Suggestions for next year

- Amphitheatre for better view
- Less information per slide
- Tips for a healthy diet and buying quality products
- Hygiene controls
- Cross allergies
- Invite industry on chosen topics

Safe2EatEU campaign - Out-of-home activation

Supermarket: 2 x 2 days (weekends)

E-lake festival:2 days

+

- National agency working together with hostess (less workload for us)
- Visibility
- National agency working together with hostess (less information for visitors)
- Visitors thought we are selling pills
- High costs

Safe2EatEU campaign - Influencer engagement

SAFE2EAT: FOOD LABELS

SAFE2EAT: SAY NO TO SALMONELLA

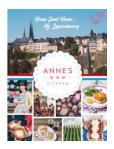

SAFE2EAT: ALLERGEN LABELS

- +
- Very professional
- no choice of language

Collaboration with KACHEN (food magazine)

Reel

- Allergens
- Food labels
- Food handling

Banner in newsletter

hochen mit Estragon

Cannelés mit Ziegenkäse

MEHR REZEPTE

WAS GIBTS NEUES

- Collaboration with kachen.lu was very positive
- Initiated further collaboration

Safe2EatEU campaign - Other media outputs

- Radio, print & online in 10 different journals
- +
- National agency actively took care of press relations

Administration luxembourgeoise vétérinaire et alimentaire

Summary

- First time for Luxembourg to participate in the campaign
- > First time working with our national agency
- First time working with an influencer
- First time working with the food magazine

The campaign allowed us to

- Gain lots of new experiences (stands at supermarkets/festival, influencer etc...)
- Broaden our spectrum of collaborations
- Increase the amount of press contacts/stakeholders interested in our topics
- Gain visibility

Impact

- difficult to measure raise in awareness
- no comparison to previous years possible

THANK YOU

FOR YOUR ATTENTION
