SHAPING THE EVENT CONCEPT

Annual collaborative event with topics of key interest to EFSA's Registered Stakeholders

Steering **connections** between our Stakeholders community members and EFSA

Preparatory work ongoing for the **8th edition**

Concept being built around:

- Feedback received at last year Forum
- Inputs on topics to be provided by the Bureau members

Proposed thematic: *“Evolution of EU food systems towards more resilience and sustainability, while addressing regulatory scientific needs and knowledge gaps in an increased competitive and innovative context”*

FOLLOW-UP OF 7TH STAKEHOLDER FORUM – Recos & Actions (feedback)

Recommendations have led to a number of follow-up actions that have been implemented or are currently underway, mainly to improve processes and stakeholder engagement, mainly focusing on

- Improving communication and engagement with stakeholders through a variety of means, while strengthening internal expertise in risk assessment.
- Facilitating access to information and training through digital resources and tools.
- Streamlining the submission and assessment of applications through standardised processes and increased support.

Aim: make interactions more transparent and efficient, particularly for applicants for regulated products

LET'S SHAPE THE FORUM TOGETHER!
