

A person wearing a light-colored shirt and dark pants is walking away from the camera through a field of green grass. In the foreground and middle ground, there are many chickens, including several roosters with prominent red combs and many hens. The background shows a fence and some trees under a bright sky.

# **Protect your BIRDS, protect your FARM**

Follow these  
simple steps  
to keep your  
flock safe. ►

# **Control who comes IN and OUT**

**Control access &  
disinfect anything  
or anyone exposed  
to poultry or wild  
birds—  
no exceptions.**

A group of white turkeys with prominent red wattles and heads are standing in a barn. The background shows wooden beams and a window with light coming through. A yellow rectangular box is overlaid in the upper right corner, and a teal circular box is overlaid in the lower left corner.

# **All-IN all-OUT**

Same age, same  
time: **bring birds  
in and out as one  
flock** and clean out  
fully in between.

A high-pressure water spray nozzle is shown cleaning a yellow rubber boot. The spray is directed at the boot, creating a mist of water droplets. The background is a blurred construction site with various structures and equipment. The text "Stay CLEAN, stay SAFE" is overlaid on a yellow rectangular background in the upper right corner.

**Stay CLEAN,  
stay SAFE**

Wash hands  
& tools **every  
single time.**  
Wear clean  
clothes & boots,  
or disposable  
overshoes.

A background image of a chain-link fence, slightly out of focus, with a yellow rectangular box at the top and a teal circular box in the center.

# **Keep wild birds OUT**

**Seal it tight:**  
strong housing,  
secure fencing,  
no standing water  
- and consider  
scare devices and  
deterrents.

# Know the RISKS

Train everyone  
on the farm:  
**understanding  
the risks** is key to  
stop bird flu.
