Social skills and competences	<p>Integrity: I consider myself as an honest civil servant with a good track record of discipline, ethical, commitment and respect of hierarchy.</p> <p>Team work: I have been part of various types of teams from working groups to departmental teams in which I have gained trust, respect and motivated the team to deliver. I have good communication skills which were acquired throughout my professional experience and social life. My exposure in Euro-Mediterranean for a, especially the Maltese Presidency of the Council of the EU made me able to adapt to multicultural environments.</p>
Organisational skills and competences	<p>Leadership: Transformational / Democratic leadership style</p> <p>Management: I do my best to understand the team dynamics, provide support and encourage harmony while instigating creativity and innovation. I delegate work as much as possible and motivate the staff according to their individual need, engaging them in the decision-making process and brief them about what is going on in the organisation. I take disciplinary action when and where necessary and I am good in problem solving and decision making. These skills were acquired through formal training and professional experience in top management positions.</p> <p>Representational: I have represented the government and the Ministry in various fora including, Inter-ministerial Committees and EU Institutions. I have acted as Technical Expert to EU Candidate Countries and other Member States and delivered presentations in Local and International Conferences. I have also produced and contributed various scientific publications and reports, including the lead on an EU Strategy during the Maltese Presidency.</p> <p>Analytical: I am a great listener and use good reasoning in analysing a situation after having considered all arguments. I manage to solve the problems. These skills were acquired through my professional experience in dealing with crucial decisions mainly related to EU funding for the agriculture sector.</p> <p>Organisation: I have been involved in the organisation of several local and international workshops, seminars and conferences.</p>
Technical skills and competences	<p>I have a good understanding of the Agriculture sector, its strengths, weaknesses and threats. I am also well aware of the opportunities for the sector in particular the funding, research and areas of innovation. These skills were obtained through specialised education and my 30 years career in the agriculture sector, but in particular the consultation process for the development of the Partnership Agreement, Malta's CAP Strategic Plan 2023 – 2027, the development of the Rural Development Plan for Malta 2014-2020, the Maltese Programme for Direct Payments 2014-2020 and the Rural, the Maltese Agricultural Policy, the Rural Policy and Design Guidance 2014 and the Awareness Raising Strategy for Plant Health in the European Union, Malta's Action plan for Organic Food 2023 – 2030, Malta's Strategy for Resilient Food Systems 2025- 2034 and the National fisheries Strategy 2026-2031.</p>
