- Welcome & Orientation (40 min)
- Theoretical lectures (105 min)
- Questions (30 min)

- **DAY 2: Multiple-choice Tests results + Case Resolution + Discussion**

- Welcome & Refresh (15 min)
- Case Evaluation (3 working groups) (105 min; 35 min /case)
- Discussion of the Results (Plenary session) (75 min)

Overview of training : Day 1 (10:00-13:30h CEST)

1. Welcome & Orientation (40 min)

Welcome and presentation of the Project

Course objectives and Overview training structure

Multiple choice test

2. Lectures (105 min)

Legislative Framework for Emerging Authorisations

General presentation of the Evaluation Methodology

COFFEE BREAK (15 minutes)

Feasibility and effectiveness Assessment of alternative methods

Fungicides protocol - flowcharts and Decision criteria

Questions

3. Questions (30 min)

Questions

Repetition Multiple choice test

Overview of training : Day 2 (10:00-14:00h CEST)

1. Welcome & Refresh (15 min)

Welcome and introduction of day 2 – working group

Results of the multiple choice test

SPLIT UP THE WORKING GROUPS (VIDEOLOGY)

2. Case Evaluation - 3 Working groups (105 min)

The participants moved from one case to the next

Each group will follow the same structure:

- Flowchart interpretation
- Scientific/regulatory reasoning
- Typical misunderstandings

WG 1: BPI working group:
Phytophthora spp.

WG 2: BPI working group:
Xanthomonas vesicaria

WG 3: INIA working group:
Monilinia spp.

COFFEE BREAK (20 minutes). The organisation meets to summarise all the questions.

PLENARY SESSION (VIDEOLOGY)

3. Discussion of the Results (75 min)

Summary questions and main relevant point for each case study

Close of training
