

CLARIFICATION N°11

Call reference: EUBA-EFSA-2023-ENREL-01

Call title: Selection of hosting sites and fellows for EFSA's European Food Risk Assessment Fellowship (EU-FORA) Programme

Question 1: [...] where should the identified fellow be named in the proposal? In the previous call documents there was a table in ANNEX 7, but in the new documents this doesn't seem to be the case. The fellow's EUROPASS CV will be upload with the Part B documents, is this enough? or should they be named in the proposal? If so where?

Answer 1: The CV of the identified fellow should be submitted with the proposal. The template to be filled in is annex 5, as stated on page 24 of the Call for proposals, under section 2.4 B) Professional and operational capacity: ***For requirements 1-8 a template (Annex 5) is available to download in the Funding and Tenders Portal. The applicant must upload the completed template (a single pdf document of all requirements including CVs) in the relevant field under Part B and Annexes of the Funding and Tenders Portal.***

In case that a fellow sending organisation provides an alternate fellow or proposes two fellows to be trained under the same work programme (i.e. under the same consortium), please ensure that this information is clearly indicated in the template (annex 5).
