

CLARIFICATION N°11

Call reference: EUBA-EFSA-2023-BIOHAW-06 (GP/EFSA/BIOHAW/2023/06)

Call title: Establishing capacities for active surveillance of highly pathogenic avian influenza in wild birds in Europe.

Question:

When starting the procedure to upload the data in the EU Funding Data Portal we have been prompted to insert a Title + Acronym + Short summary as mandatory.

We were wondering whether those information are mandatory, or if we can just skip them like adding some mock-up character.

Answer:

Some sections of the grant application on the EU Funding and Tenders Portal are mandatory. There is no reason for deviating from the obligation to properly filling those sections. Therefore the proposal to fill some mandatory sections with “mock up” is not considered acceptable.
