Call reference: EUBA-EFSA-2023-ENREL-01

Call title: Selection of hosting sites and fellows for EFSA's European Food Risk Assessment Fellowship (EU-FORA) Programme

Question 1: Thank you for your answer in the Clarification no. 13. However, the suggested Nuance PDF is a paid application, and my university does not have access to it as well as to any other application that allows to merge two e-signed documents and to save them as the single pdf file [...] would you have other solution for this issue?

Answer 1: If you don't have Nuance pdf you can print the document using other options, such as 'Microsoft Print to PDF'. See snippy below.

If your issues with e-signature persists, please also refer to Q&A 3 under Clarification n.9.
