Question: It is not entirely clear to me whether the detailed technical proposal is supposed to be uploaded as a separate Annex to the proposal or whether it is supposed to be integrated into Annex 6.

Answer: The technical proposal is to be integrated into Annex 6, as stated in the Call for Proposals under section 2.5 Award Criteria:

'For the award criteria a template (Annex 6) is available to download in the Funding and Tenders Portal. The applicant must upload the completed template (a single pdf document of all criteria) in the relevant field under Part B and Annexes of the Funding and Tenders Portal'
