II.15.1 A party faced with *force majeure* must send a *formal notification* to the other party without delay, stating the nature of the situation or of the event, its likely duration and foreseeable effects.

II.15.2 The parties must take the necessary measures to limit any damage due to *force majeure*. They must do their best to resume the implementation of the *action* as soon as possible.

II.15.3 The party faced with *force majeure* may not be considered in *breach of its obligations* under the Framework agreement or a Specific agreement if it has been prevented from fulfilling them by *force majeure*.

ARTICLE II.16 – SUSPENSION OF THE IMPLEMENTATION

II.16.1 Suspension of the implementation of an *action* by the partner

The partner may suspend the implementation of an *action* or any part of it, if exceptional circumstances make such implementation impossible or excessively difficult, in particular in the event of *force majeure*.

The partner must immediately inform the Authority stating:

- (a) the reasons for suspension, including details about the date or period when the exceptional circumstances occurred; and
- (b) the expected date of resumption.

Once the circumstances allow the partner to resume implementing the *action*, the partner must inform the Authority immediately and present a request for amendment of the Framework agreement or a Specific agreement as provided for in Article II.16.3.2. This obligation does not apply if the Framework agreement or Specific agreement is terminated in accordance with Article II.17.1 or points (b) or (c) of Article II.17.2.2.

II.16.2 Suspension of implementation by the Authority

II.16.2.1 Grounds for suspension

The Authority may suspend the implementation of an *action* or any part thereof or the implementation of the Framework agreement:

- (a) if the Authority has evidence that the partner has committed *irregularities, fraud or breach of obligations* in the award procedure or while implementing the Framework agreement or the Specific agreement;
- (b) if the Authority has evidence that the partner has committed systemic or recurrent *irregularities, fraud or serious breach of obligations* in other grants funded by the Union or the European Atomic Energy Community ("Euratom") awarded to the partner under similar conditions, and the *irregularities, fraud or breach of obligations* have a material impact on one or more specific grants awarded under the Framework agreement; or
- (c) if the Authority suspects *irregularities, fraud or breach of obligations* committed by the partner in the award procedure or while implementing the Framework

agreement or the Specific agreement and needs to verify whether they have actually occurred.

The implementation of each action for which a specific grant has been awarded is deemed automatically suspended from the date on which the suspension of the implementation of the Framework agreement takes effect.

II.16.2.2 Procedure for suspension

Step 1 Before suspending implementation of an *action*, the Authority must send a *formal notification* to the partner:

- (a) informing it of:
 - (i) its intention to suspend the implementation;
 - (ii) the reasons for suspension;
 - (iii) the necessary conditions for resuming the implementation of the Framework agreement or of the *action* in the cases referred to in points (a) and (b) of Article II.16.2.1; and
- (b) inviting it to submit observations within 30 calendar days of receiving the *formal notification*.

Step 2 If the Authority does not receive observations or decides to pursue the procedure despite the observations it has received, it must send a *formal notification* to the partner informing it of:

- (a) the suspension of the implementation;
- (b) the reasons for suspension; and
- (c) the final conditions for resuming the implementation of the Framework agreement or of the *action* in the cases referred to in points (a) and (b) of Article II.16.2.1; or
- (d) the indicative date of completion of the necessary verification in the case referred to in point (c) of Article II.16.2.1.

The suspension takes effect on the day the *formal notification* is received by the partner or on a later date specified in the *formal notification*.

Otherwise, the Authority must send a *formal notification* to the partner informing it that it is not continuing the suspension procedure.

II.16.2.3 Resuming implementation

In order to resume the implementation, the partner must meet the notified conditions as soon as possible and must inform the Authority of any progress made.

If the conditions for resuming the implementation of the Framework agreement or the Specific agreements are met or the necessary verifications are carried out, the Authority must send a *formal notification* to the partner:

- (a) informing it that the conditions for lifting the suspension are met; and
- (b) requiring it to present a request for amendment of the agreement concerned as provided for in Article II.16.3.2 This obligation does not apply if the Framework

agreement or the Specific agreement is terminated in accordance with Articles II.17.1 or points (b), (f) or (g) of Article II.17.2.2.

II.16.3 Effects of the suspension

II.16.3.1 If the Framework agreement is not terminated, it may be adapted to the new implementing conditions in accordance with Article II.13.

The suspension of the implementation of the Framework agreement and of all automatically suspended *actions* in accordance with the last subparagraph of Article II.16.2.1 is deemed lifted as from the date of the notification by the Authority referred to in point (a) of Article II.16.2.3. In this case Article II.16.3.2 does not apply.

II.16.3.2 If the implementation of the suspended *action* can be resumed and the Specific agreement has not been terminated, an amendment to the Specific agreement must be made in accordance with Article II.13 in order to:

- (a) set the date on which the *action* is to be resumed;
- (b) extend the duration of the *action*; and
- (c) make other changes necessary to adapt the *action* to the new situation.

The suspension is lifted with effect from the resumption date set out in the amendment. This date may be before the date on which the amendment enters into force.

II.16.3.3 Costs incurred during the period of suspension that relate to the implementation of the suspended *action* or the suspended part of it may not be reimbursed or covered by the grant.

Suspending implementation of an *action* or implementation of the Framework agreement does not affect the Authority's right to terminate the concerned agreement in accordance with Article II.17.2, reduce the grant or recover amounts unduly paid in accordance with Articles II.25.4 and II.26.

Neither party may claim damages due to suspension by the other party.

ARTICLE II.17 – TERMINATION OF THE FRAMEWORK AGREEMENT AND THE SPECIFIC AGREEMENTS

II.17.1 Termination of the Framework agreement or a Specific agreement by the partner

II.17.1.1 Termination of the Framework agreement

The partner may terminate the Framework agreement without specifying the reasons for termination.

The partner must send a *formal notification* of termination to the Authority stating the date on which the termination takes effect. This date must be set after the *formal notification*.

II.17.1.2 Termination of a Specific agreement

The partner may terminate a Specific agreement.

The partner must send a *formal notification* of termination to the Authority, stating:

- (a) the reasons for termination; and
- (b) the date on which the termination takes effect. This date must be set after the *formal notification*.

If the partner does not state the reasons for the termination or if the Authority considers that the reasons do not justify termination, the Specific agreement is considered to have been terminated improperly.

The termination takes effect on the day specified in the *formal notification*.

II.17.2 Termination of the Framework agreement or a Specific agreement by the Authority

II.17.2.1 Termination of the Framework agreement

The Authority may terminate the Framework agreement without specifying the reasons for termination.

The Authority must send a *formal notification* of termination to the partner specifying the date on which the termination takes effect. The notification must be sent before the termination is due to take effect.

II.17.2.2 Termination of the Framework agreement or a Specific agreement based on explicit grounds

The Authority may terminate the Framework agreement or a Specific agreement if:

- (a) a change to the partner's legal, financial, technical, organisational or ownership situation is likely to affect the implementation of the Framework agreement or the Specific agreement substantially or calls into question the Authority's decision to establish the framework partnership or to award the specific grant, or a change regarding the exclusion situations listed in Article 136 of Regulation (EU) 2018/1046, that calls into question the decision to award the grant;
- (b) partner , any *related person* or any natural person who is essential for the award or for the implementation of the Agreement have committed serious *breach of obligations*, including improper implementation of an *action* as described in Annex I of the Specific agreement;
- (c) the implementation of an *action* is prevented or suspended due to *force majeure* or exceptional circumstances and either:
 - (i) resumption is impossible; or
 - (ii) the necessary changes to the Framework agreement or the Specific agreement would call into question the decision to establish the framework partnership or to award the specific grant or be contrary to the equal treatment of applicants;

- (d) the partner or a natural or legal person that assumes unlimited liability for the debts of the partner
 - (i) is declared bankrupt, is subject to insolvency or winding up procedures, its assets are being administered by a liquidator or by a Court, has entered into an agreement with creditors, has suspended business activities or is in any analogous situation arising from a similar procedure provided for under the Union or national law;
 - (ii) is in *breach of its obligations* relating to the payment of taxes or social security contributions in accordance with the applicable law;;
- (e) the partner or any *related person* or any natural person who is essential for the award or for the implementation of the Agreement has committed:
 - (i) *grave professional misconduct* proven by any means;
 - (ii) *fraud*;
 - (iii) corruption;
 - (iv) conduct related to criminal organisations;
 - (v) money laundering;
 - (vi) terrorism-related crimes (including terrorism financing);
 - (vii) child labour or other offences concerning trafficking of human beings;
- (f) the Authority has evidence that the partner or any *related person* or any natural person who is essential for the award or for the implementation of the Framework Partnership agreement or the Specific agreement has committed *irregularities, fraud or breach of obligations* in the award procedure or while implementing the Framework agreement or any Specific agreement, including if the partner or *related person* or natural person has submitted false information or failed to provide required information;
- (g) Authority has evidence that the partner has committed systemic or recurrent *irregularities, fraud or serious breach of obligations* in other Union or Euratom grants awarded to it under similar conditions and such *irregularities, fraud or breach of obligations* have a material impact on a specific grant awarded under the Framework agreement;
- (h) The partner or any *related person* or any natural person who is essential for the award or for the implementation of the Framework Partnership agreement or the Specific Agreement has created an entity under a different jurisdiction with the intend to circumvent fiscal, social or any other legal obligations in the jurisdiction of its registered office, central administration or principal place of business;
- (i) The partner or any *related person* has been created with the intend referred to in point (h) or

- (j) the Authority has sent the partner a *formal notification* asking it to end the participation of its affiliated entity because that entity is in a situation provided for in points (d) to (i) and the partner has failed to request an amendment ending the participation of the entity and reallocating its tasks.

II.17.2.2 Procedure for termination

Step 1 Before terminating the Framework agreement or a Specific agreement on one of the grounds specified in Article II.17.2.2, the Authority must send a *formal notification* to the partner:

- (a) informing it of:
 - (i) its intention to terminate;
 - (ii) the reasons for termination; and
- (b) requiring it, within 45 calendar days of receiving the *formal notification*:
 - (i) to submit observations; and
 - (ii) in the case of point (b) of Article II.17.2.2, to inform the Authority of the measures to ensure compliance with the obligations under the Framework agreement or the Specific agreement concerned.

Step 2 If the Authority does not receive observations or decides to pursue the procedure despite the observations it has received, it will send a *formal notification* to the partner informing it of the termination and the date on which it takes effect.

Otherwise, the Authority must send a *formal notification* to the partner informing it that the termination procedure is not continued.

The termination takes effect:

- (a) for terminations under points (a), (b) and (d) of Article II.17.2.2: on the day specified in the *formal notification* of termination referred to in the second subparagraph (i.e. in Step 2 above);
- (b) for terminations under points (c), (e) to (j) of Article II.17.2.2: on the day after the partner receives the *formal notification* of termination referred to in the second subparagraph (i.e. in Step 2 above).

II.17.3 **Effects of termination**

Where the Framework agreement is terminated by the partner in accordance with Article II.17.1.1 or by the Authority in accordance with Articles II.17.2.1 or II.17.2.2:

- (a) the partner must complete the implementation of any Specific agreement, governed by the Framework agreement, which has entered into force before the date on which the termination of the Framework agreement takes effect;
- (b) the Authority must honour its obligations arising from the implementation of any Specific agreement, governed by the Framework agreement, which has entered into force before the date on which the termination of the Framework agreement takes effect.

Within 60 calendar days from the day on which the termination of a Specific agreement takes effect, the partner must submit a request for payment of the balance as provided for in Article 4.4 of the Specific agreement.

If the Authority does not receive the request for payment of the balance by the above deadline, only costs or contributions which are included in an approved technical report and, where relevant, in an approved financial statement, are reimbursed or covered by the specific grant.

If the Specific agreement is terminated by the Authority because the partner *has breached its obligation* to submit the request for payment, the partner may not submit any request for payment after termination. In that case the third subparagraph applies.

The Authority calculates the final grant amount as referred to in Article II.25 and the balance as referred to in Article 5.4 of the Specific agreement on the basis of the reports submitted. Only activities undertaken before the date when the termination takes effect or the end date of the *implementation period* as specified in Article I.2.2 of the Specific agreement, whichever is the earliest, must be taken into account. Where the grant takes the form of reimbursement of costs actually incurred as provided for in Article I.3.2(a)(i) of the Specific Agreement, only costs incurred before termination takes effect are reimbursed or covered by the specific grant. Costs relating to contracts due for execution only after termination are not taken into account and are not reimbursed or covered by the grant.

The Authority may reduce a specific grant in accordance with Article II.25.4 in case of:

- (a) improper termination of the Specific agreement by the partner within the meaning of Article II.17.1.2; or
- (b) termination of the Specific agreement by the Authority on any of the grounds set out in points (b), (e) to (j) of Article II.17.2.2.

Neither party may claim damages on the grounds that the other party terminated the Framework agreement or a Specific agreement.

After termination, the partner's obligations continue to apply, in particular those under Article 4 of the Specific agreement, Articles II.6, II.8, II.9, II.14, II.27 and any additional provisions on the use of the results, as set out in the Special Conditions or the Specific agreement concerned.

ARTICLE II.18 – APPLICABLE LAW, SETTLEMENT OF DISPUTES AND ENFORCEABLE DECISIONS

II.18.1 The Framework agreement and any Specific agreement are governed by the applicable Union law complemented, where necessary, by the law of Belgium.

II.18.2 In accordance with Article 272 TFEU, the General Court or, on appeal, the Court of Justice of the European Union, has sole jurisdiction to hear any dispute between the Union and the partner concerning the interpretation, application or validity of the Framework agreement or any Specific agreement, if such dispute cannot be settled amicably.

II.18.3 In accordance with Article 299 TFEU, for the purposes of recovery within the meaning of Article II.26, the Authority may adopt an enforceable decision to impose pecuniary obligations on persons other than States.

An *action* may be brought against such decision before the General Court of the European Union in accordance with Article 263 TFEU.

PART B – FINANCIAL PROVISIONS

ARTICLE II.19 – ELIGIBLE COSTS

II.19.1 Conditions for the eligibility of costs

Eligible costs of the *action* are costs actually incurred by the partner and which meet the following criteria:

- (a) they are incurred within the *implementation period* of the Specific agreement, with the exception of costs relating to the request for payment of the balance and the corresponding supporting documents referred to in Article 4.4 of the Specific agreement;
- (b) they are indicated in the estimated budget of an *action*. The estimated budget is set out in Annex II of the Specific agreement;
- (c) they are incurred in connection with the *action* as described in Annex I of the Specific agreement and are necessary for its implementation;
- (d) they are identifiable and verifiable, in particular they are recorded in the partner's accounting records and determined according to the applicable accounting standards of the country where the partner is established and according to the partner's usual cost accounting practices;
- (e) they comply with the requirements of applicable tax and social legislation; and
- (f) they are reasonable, justified and comply with the principle of sound financial management, in particular regarding economy and efficiency.

II.19.2 Eligible direct costs

To be eligible the *direct cost* of an *action* must comply with the eligibility conditions set out in Article II.19.1.

In particular, the following categories of costs are eligible *direct costs*, provided that they satisfy the eligibility conditions set out in Article II.19.1 as well as the following conditions:

- (a) the costs of personnel working under an employment contract with the partner or an equivalent appointing act and assigned to the *action*, provided that these costs are in line with the partner's usual policy on remuneration;

Those costs include actual salaries plus social security contributions and other statutory costs included in the remuneration. They may also comprise additional remunerations, including payments on the basis of supplementary contracts regardless of the nature of those contracts, provided that they are paid in a consistent manner whenever the same kind of work or expertise is required, independently from the source of funding used;

The costs of natural persons working under a contract with the partner other than an employment contract or who are seconded to the partner by a third party against payment may also be included under such personnel costs, provided that the following conditions are fulfilled:

- (i) the person works under conditions similar to those of an employee (in particular regarding the way the work is organised, the tasks that are performed and the premises where they are performed);
 - (ii) the result of the work belongs to the partner (unless exceptionally agreed otherwise); and
 - (iii) the costs are not significantly different from the costs of staff performing similar tasks under an employment contract with the partner;
- (b) costs of travel and related subsistence allowances, provided that these costs are in line with the partner's usual practices on travel;
- (c) the depreciation costs of equipment or other assets (new or second-hand) as recorded in the partner's accounting statements, provided that the asset:
- (i) is written off in accordance with the international accounting standards and the partner's usual accounting practices; and
 - (ii) has been purchased in accordance with Article II.10.1 if the purchase occurred within the *implementation period*.

The costs of renting or leasing equipment or other assets are also eligible, provided that these costs do not exceed the depreciation costs of similar equipment or assets and are exclusive of any finance fee;

Only the portion of the equipment's depreciation, rental or lease costs corresponding to the *implementation period* set out in Article 2.2 of the Specific agreement concerned and the rate of actual use for the purposes of the *action* may be taken into account when determining the *eligible costs*. By way of exception, the Special Conditions or the Specific agreement may provide for the eligibility of the full cost of purchase of equipment, if this is justified by the nature of the *action* and the context of the use of the equipment or assets;

- (d) costs of consumables and supplies, provided that they:
- (i) are purchased in accordance with Article II.10.1; and
 - (ii) are directly assigned to the *action*;
- (e) costs arising directly from requirements imposed by the Framework agreement or the Specific agreement (dissemination of information, specific evaluation of the *action*, audits, translations, reproduction), including the costs of requested financial guarantees, provided that the corresponding services are purchased in accordance with Article II.10.1;
- (f) costs entailed by *subcontracts* within the meaning of Article II.11, provided that the conditions laid down in Article II.11.1 (a), (b), (c) and (d) are met;

- (g) costs of financial support to third parties within the meaning of Article II.12, provided that the conditions laid down in that Article are met;
- (h) duties, taxes and charges paid by the partner, notably value added tax (VAT), provided that they are included in eligible *direct costs*, and unless specified otherwise in the Special Conditions or in the Specific agreement.

II.19.3 Eligible indirect costs

To be eligible, *indirect costs* of the *action* must represent a fair apportionment of the overall overheads of the partner and must comply with the conditions of eligibility set out in Article II.19.1.

Eligible *indirect costs* must be declared on the basis of a flat rate of 7% of the total eligible *direct costs* unless otherwise specified in Article 3.2 of the Specific agreement.

II.19.4 Ineligible costs

In addition to any other costs which do not fulfil the conditions set out in Article II.19.1, the following costs may not be considered eligible:

- (a) return on capital and dividends paid by the partner;
- (b) debt and debt service charges;
- (c) provisions for losses or debts;
- (d) interest owed;
- (e) doubtful debts;
- (f) exchange losses;
- (g) costs of transfers from the Authority charged by the bank of the partner;
- (h) costs declared by the partner under another *action* receiving a grant financed from the Union budget. Such grants include grants awarded by a Member State and financed from the Union budget and grants awarded by bodies other than the Authority for the purpose of implementing the Union budget. In particular, if the partner receives an operating grant financed by the EU or Euratom budget, it may not declare *indirect costs* for the period(s) covered by the operating grant, unless it can demonstrate that the operating grant does not cover any costs of the *action*.
- (i) contributions in kind from third parties;
- (j) excessive or reckless expenditure;
- (k) deductible VAT.

ARTICLE II.20 – IDENTIFIABILITY AND VERIFIABILITY OF THE AMOUNTS DECLARED

II.20.1 Declaring costs and contributions

The partner must declare as eligible costs or as a requested contribution:

- (a) for actual costs: the costs it actually incurred for the *action*;
- (b) for unit costs or unit contributions: the amount obtained by multiplying the amount per unit specified in Article 3.2(a)(ii) or (b) of the Specific agreement by the actual number of units used or produced;
- (c) for lump sum costs or lump sum contributions: the global amount specified in Article 3.2(a)(iii) or (c) of the Specific agreement, if the corresponding tasks or part of the *action* as described in Annex I of the Specific agreement have been implemented properly;
- (d) for flat-rate costs or flat-rate contributions: the amount obtained by applying the flat rate specified in Article 3.2(a)(iv) or (d) of the Specific agreement;
- (e) for financing not linked to costs: the global amount specified in Article I.3.2(e), if the corresponding results or conditions as described in Annex I of the Specific agreement have been properly achieved or fulfilled;
- (f) for unit costs declared on the basis of the partner's usual cost accounting practices: the amount obtained by multiplying the amount per unit calculated in accordance with the partner's usual cost accounting practices by the actual number of units used or produced;
- (g) for lump sum costs declared on the basis of the partner's usual cost accounting practices: the global amount calculated in accordance with its usual cost accounting practices, if the corresponding tasks or part of the *action* have been implemented properly;
- (h) for flat-rate costs declared on the basis of the partner's usual cost accounting practices: the amount obtained by applying the flat rate calculated in accordance with the partner's usual cost accounting practices.

For the forms of grant referred to in points (b), (c), (d), (f), (g) and (h), the amounts declared must comply with the conditions specified in points (a) and (b) of Article II.19.1.

II.20.2 Records and other documentation to support the costs and contributions declared

The partner must provide the following if requested to do so in the context of the checks or audits described in Article II.27:

- (a) for actual costs: adequate supporting documents to prove the costs declared, such as contracts, invoices and accounting records.

In addition, the partner's usual accounting and internal control procedures must permit direct reconciliation of the amounts declared with the amounts recorded in its accounting statements and with the amounts indicated in the supporting documents;

- (b) for unit costs or unit contributions: adequate supporting documents to prove the number of units declared.

The partner does not need to identify the actual eligible costs covered or to provide supporting documents, such as accounting statements, to prove the amount declared per unit;

- (c) for lump sum costs or lump sum contributions: adequate supporting documents to prove that the *action* has been properly implemented.

The partner does not need to identify the actual eligible costs covered or to provide supporting documents, such as accounting statements, to prove the amount declared as a lump sum;

- (d) for flat-rate costs or flat-rate contributions: adequate supporting documents to prove the eligible costs or requested contribution to which the flat rate applies.

The partner does not need to identify the actual eligible costs covered or to provide supporting documents, such as accounting statements, for the flat rate applied;

- (e) for financing not linked to costs: adequate supporting documents to prove that the *action* has been properly implemented;

The partner does not need to identify the actual eligible costs covered or to provide supporting documents, such as accounting statements, to prove the amount declared as a financing not linked to costs;

- (f) for unit costs declared on the basis of the partner's usual cost accounting practices: adequate supporting documents to prove the number of units declared;

- (g) for lump sum costs declared on the basis of the partner's usual cost accounting practices: adequate supporting documents to prove that the *action* has been properly implemented;

- (h) for flat-rate costs declared on the basis of the partner's usual cost accounting practices: adequate supporting documents to prove the eligible costs to which the flat rate applies.

II.20.3 Conditions to determine the compliance of cost accounting practices

II.20.3.1 In the case of points (f), (g) and (h) of Article II.20.2, the partner does not need to identify the actual eligible costs covered, but it must ensure that the cost accounting practices used for the purpose of declaring eligible costs are in compliance with the following conditions:

- (a) the cost accounting practices used constitute its usual cost accounting practices and are applied in a consistent manner, based on objective criteria independent from the source of funding;
- (b) the costs declared can be directly reconciled with the amounts recorded in its general accounts; and

- (c) the categories of costs used for the purpose of determining the costs declared are exclusive of any ineligible cost or costs covered by other forms of grant as provided for in Article 3.2 of the Specific agreement.

II.20.3.2 If the Specific agreement so provides, the partner may submit to the Authority a request asking it to assess the compliance of its usual cost accounting practices. If required by the Specific agreement, the request must be accompanied by a certificate on the compliance of the cost accounting practices ('certificate on the compliance of the cost accounting practices').

The certificate on the compliance of the cost accounting practices must be:

- (a) produced by an approved auditor or, if the partner is a public body, by a competent and independent public officer; and
- (b) drawn up in accordance with Annex VII.

The certificate must certify that the partner's cost accounting practices used for the purpose of declaring eligible costs comply with the conditions laid down in Article II.20.3.1 and with the additional conditions that may be laid down in the Special conditions or in the Specific agreement.

II.20.3.3 If the Authority has confirmed that the partner's usual cost accounting practices are in compliance, costs declared in application of these practices may not be challenged *ex post*, if:

- (a) the practices actually used comply with those approved by the Authority; and
- (b) the partner did not conceal any information for the purpose of the approval of its cost accounting practices.

ARTICLE II.21 – ELIGIBILITY OF COSTS OF ENTITIES AFFILIATED TO THE PARTNER

If the Special Conditions or the Specific agreement contain a provision on entities affiliated to the partner, costs incurred by such an entity are eligible, if:

- (a) they satisfy the same conditions under Articles II.19 and II.20 as apply to the partner, and
- (b) the partner ensures that the conditions applicable to it under Articles II.4, II.5, II.6, II.8, II.10, II.11 and II.27 are also applicable to the entity.

ARTICLE II.22 – BUDGET TRANSFERS

The partner is allowed to adjust the estimated budget set out in Annex II of the Specific agreement, by transfers between the different budget categories if the *action* is implemented as described in Annex I of the Specific agreement. This adjustment does not require an amendment of the Specific agreement as provided for in Article II.13.

However, the partner may not add costs relating to *subcontracts* not provided for in Annex I of the Specific agreement, unless such additional *subcontracts* are approved by the Authority in accordance with Article II.11.1(d).

The first two subparagraphs do not apply to amounts which, as provided for in Article 3.2(a)(iii) or 3.2(c) of the Specific agreement, take the form of lump sums or which, as provided for in Article 3.2(e) of the Specific agreement, take the form of financing not linked to cost.

ARTICLE II.23 – NON-COMPLIANCE WITH THE REPORTING OBLIGATIONS

The Authority may terminate the Framework agreement or a Specific agreement as provided for in Article II.17.2.2(b) and may reduce the specific grant as provided for in Article II.25.4 if the partner:

- (a) did not submit a request for interim payment or payment of the balance accompanied by the documents referred to in Articles 4.3 or 4.4 of the Specific agreement within 60 calendar days following the end of the corresponding reporting period; and
- (b) still fails to submit such a request within further 60 calendar days following a written reminder sent by the Authority.

ARTICLE II.24 – SUSPENSION OF PAYMENTS AND TIME LIMIT FOR PAYMENT

II.24.1 Suspension of payments

II.24.1.1 Grounds for suspension

The Authority may, at any time during the implementation of the Specific agreement, suspend, in whole or in part, the pre-financing payments, interim payments or payment of the balance:

- (a) if the Authority has evidence that the partner has committed *irregularities, fraud or breach of obligations* in the award procedure or while implementing the Framework agreement or a Specific agreement;
- (b) if the Authority has evidence that the partner has committed systemic or recurrent *irregularities, fraud or serious breach of obligations* in other grants funded by the Union or the European Atomic Energy Community ('Euratom') awarded to the partner under similar conditions and such *irregularities, fraud or breach of obligations* have a material impact on a specific grant awarded under the Framework agreement; or
- (c) if the Authority suspects *irregularities, fraud or breach of obligations* committed by the partner in the award procedure or while implementing the Framework agreement or the Specific agreement and needs to verify whether they have actually occurred.

II.24.1.2 Procedure for suspension

Step 1 – Before suspending payments, the Authority must send a *formal notification* to the partner:

- (a) informing it of:
 - (i) its intention to suspend payments;
 - (ii) the reasons for suspension;
 - (iii) in the cases referred to in points (a) and (b) of Article II.24.1.1, the conditions that need to be met for payments to resume; and
- (b) inviting it to submit observations within 30 calendar days of receiving the *formal notification*.

Step 2 — If the Authority does not receive observations or decides to pursue the procedure despite the observations it has received, it must send a *formal notification* to the partner informing it of:

- (a) the suspension of payments;
- (b) the reasons for suspension;
- (c) the final conditions under which payments may resume in the cases referred to in points (a) and (b) of Article II.24.1.1;
- (d) the indicative date of completion of the necessary verification in the case referred to in point (c) of Article II.24.1.1.

The suspension takes effect on the day the Authority sends *formal notification* of suspension (Step 2).

Otherwise, the Authority must send a *formal notification* to the partner informing it that it is not continuing with the suspension procedure.

II.24.1.3 Effects of suspension

During the period of suspension of payments the partner is not entitled to submit any requests for payments and supporting documents referred to in Articles 4.2, 4.3 and 4.4 of the Specific agreement.

The corresponding requests for payments and supporting documents may be submitted as soon as possible after resumption of payments or may be included in the first request for payment due following resumption of payments in accordance with the schedule laid down in Article 4.1 of the Specific agreement.

The suspension of payments does not affect the right of the partner to suspend the implementation of the *action* as provided for in Article II.16.1 or to terminate the Framework agreement or the Specific agreement as provided for in Article II.17.1.2.]

II.24.1.4 Resuming payments

In order for the Authority to resume payments, the partner must meet the notified conditions as soon as possible and must inform the Authority of any progress made. If the conditions for resuming payments are met, the suspension will be lifted. The Authority will send a *formal notification* to the partner informing it of this.

II.24.2 Suspension of the time limit for payments

II.24.2.1 The Authority may at any moment suspend the time limit for payment specified in Articles 5.2, 5.3 and 5.4 of the Specific agreement if a request for payment cannot be approved because:

- (a) it does not comply with the Specific agreement or the Framework agreement;
- (b) the appropriate supporting documents have not been produced; or
- (c) there is a doubt about the eligibility of the costs declared in the financial statements and additional checks, reviews, audits or investigations are necessary.

II.24.2.2 The Authority must send a *formal notification* to the partner informing it of:

- (a) the suspension; and
- (b) the reasons for the suspension.

The suspension takes effect on the day the Authority sends the *formal notification*.

II.24.2.3 If the conditions for suspending the payment deadline are no longer met, the suspension will be lifted and the remaining period will resume.

If the suspension exceeds two months, the partner may request the Authority if the suspension will continue.

If the payment deadline has been suspended because the technical reports or financial statements do not comply with the Specific agreement or the Framework agreement and the revised report or statement is not submitted or was submitted but is also rejected, the Authority may terminate the Specific agreement and the Framework agreement as provided for in Article II.17.2.2(b) and reduce the grant as provided for in Article II.25.4.

ARTICLE II.25 – CALCULATION OF THE FINAL AMOUNT OF A SPECIFIC GRANT

The final amount of the specific grant depends on the extent to which the *action* has been implemented in accordance with the terms of the Specific agreement and the Framework agreement.

The final amount of the grant is calculated by the Authority at the time of the payment of the balance.

The calculation involves the following steps:

- Step 1 – Application of the reimbursement rate to the eligible costs and addition of the financing not linked to costs, unit, flat-rate and lump sum contributions
- Step 2 – Limit to the *maximum amount of the grant*
- Step 3 – Reduction due to the no-profit rule
- Step 4 – Reduction due to improper implementation, irregularity, fraud or breach of obligations.

II.25.1 Step 1 – Application of the reimbursement rate to the eligible costs and addition of the financing not linked to costs unit, flat-rate and lump sum contributions

This step is applied as follows:

- (a) If, as provided for in Article I.3.2(a)(i), the grant takes the form of the reimbursement of eligible costs actually incurred, the reimbursement rate specified in that Article is applied to those eligible costs as approved by the Authority for the corresponding categories of costs, for the partner and its affiliated entities
- (b) If, as provided for in Article 3.2(a) of the Specific agreement, the grant takes the form of the reimbursement of eligible unit costs, lump sum costs or flat rate costs, the reimbursement rate specified in that Article is applied to those eligible costs as approved by the Authority for the corresponding categories of costs, for the partner and its affiliated entities;

The accepted amount of volunteers' work for the partner and its affiliated entities must be limited to the following amount, whichever is the lowest:

- (i) the total sources of financing as indicated in the estimated budget set out in Annex II of the Specific agreement and as accepted by the Authority multiplied by fifty per cent; or
 - (ii) the amount of volunteers' work as indicated in the final financial statements.
- (c) If, as provided for in Article 3.2(b) of the Specific agreement, the grant takes the form of a unit contribution, the unit contribution specified in that Article is multiplied by the actual number of units approved by the Authority for the partner and its affiliated entities;
 - (d) If, as provided for in Article 3.2(c) of the Specific agreement, the grant takes the form of a lump sum contribution, the Authority applies the lump sum specified in that Article for the partner and its affiliated entities if it finds that the corresponding tasks or part of the *action* were implemented properly in accordance with Annex I of the Specific agreement;
 - (e) If, as provided for in Article 3.2(d) of the Specific agreement, the grant takes the form of a flat-rate contribution, the flat rate referred to in that Article is applied to the eligible costs or to the contribution approved by the Authority for the partner and its affiliated entities.
 - (f) If, as provided for in Article I.3.2(e), the grant takes the form of financing not linked to costs, the Authority applies the amount specified in that Article for the partner and its affiliated entities if it finds that [the conditions specified in Annex I of the Specific agreement were fulfilled][and][the results specified in Annex I of the Specific agreement were achieved].

If Article 3.2 of the Specific agreement provides for a combination of different forms of grant, the amounts obtained must be added together.

II.25.2 Step 2 – Limit to maximum amount of the grant

The total amount paid to the partner by the Authority may in no circumstances exceed the *maximum amount of the grant*.

If the amount obtained following Step 1 is higher than this *maximum amount*, the final amount of the grant is limited to the latter.

If volunteers' work is declared as part of direct eligible costs, the final amount of the grant is limited to the amount of total eligible costs and contributions approved by the Authority minus the amount of volunteers' work approved by the Authority.

II.25.3 Step 3 – Reduction due to the no-profit rule

The grant may not produce a profit for the partner, unless specified otherwise in the Special Conditions or in the Specific agreement.

The profit must be calculated as follows:

- (a) calculate the surplus of the total receipts of the *action*, over the total eligible costs of the *action*, as follows:

{ receipts of the *action*
minus
the consolidated total eligible costs and contributions approved by the Authority corresponding to the amounts determined in accordance with Step 1 }

The receipts of the *action* are calculated as follows:

{ the revenue generated by the *action* for the partner and its affiliated entities other than non-profit organisations
plus
the amount obtained following Steps 1 and 2 }

The total revenue generated by the *action* is the consolidated revenue established, generated or confirmed for the partner and its affiliated entities other than non profit organisations on the date on which the request for payment of the balance is drawn up by the partner.

The following are not considered receipts:

- (i) in kind and financial contributions made by third parties;
- (ii) in case of an operating grant, amounts dedicated to the building up of reserves.
- (b) If the amount calculated under (a) is positive, this amount will be deducted from the amount calculated following Steps 1 and 2 in proportion to the final rate of reimbursement of the actual eligible costs of the *action* approved by the Authority for the categories of costs referred to in Article 3.2(a)(i) of the Specific agreement.

II.25.4 Step 4 – Reduction due to improper implementation, irregularity, fraud or breach of obligations

The Authority may reduce the *maximum amount of the grant* if the *action* has not been implemented properly as described in Annex I of the Specific agreement (i.e. if it has not been implemented or has been implemented poorly, partially or late), or in case of *irregularity, fraud* or breach of an obligation under the Framework agreement or the Specific agreement.

The amount of the reduction will be proportionate to the degree to which the *action* has been implemented improperly or to the seriousness of the *irregularity, fraud* or *breach of obligation*.

Before the Authority reduces the grant, it must send a *formal notification* to the partner:

- (a) informing it of:
 - (i) its intention to reduce the *maximum amount of the grant*;
 - (ii) the amount by which it intends to reduce the grant;
 - (iii) the reasons for reduction; and
- (b) inviting it to submit observations within 30 calendar days of receiving the *formal notification*.

If the Authority does not receive any observations or decides to pursue reduction despite the observations it has received, it will send a *formal notification* informing the partner of its decision.

If the grant is reduced, the Authority must calculate the reduced grant amount by deducting the amount of the reduction (calculated in proportion to the improper implementation of the *action* or to the seriousness of the *irregularity, fraud* or *breach of obligations*) from the *maximum amount of the grant*.

The final amount of the grant will be the lower of the following two:

- (a) the amount obtained following Steps 1 to 3; or
- (b) the reduced grant amount following Step 4.

ARTICLE II.26 – RECOVERY

II.26.1 Recovery

Where an amount is to be recovered under the terms of the Framework agreement and any Specific agreement, the partner must repay the Authority the amount in question.

The partner is responsible for the repayment of any amount unduly paid by the Authority as a contribution towards the costs incurred by its affiliated entities.

II.26.2 Recovery procedure

Before recovery, the Authority must send a *formal notification* to the partner

- (a) informing it of its intention to recover the amount unduly paid;
- (b) specifying the amount due and the reasons for recovery; and
- (c) inviting the partner to make any observations within a specified period.

If no observations have been submitted or if, despite the observations submitted by the partner, the Authority decides to pursue the recovery procedure, the Authority may confirm recovery by sending a *formal notification* to the partner consisting of a debit note, specifying the terms and the date for payment.

If payment has not been made by the date specified in the debit note, the Authority will recover the amount due:

- (a) by offsetting it, without the partner's prior consent, against any amounts owed to the partner by the Authority or an executive agency (from the Union or the European Atomic Energy Community (Euratom) budget ("offsetting");

In exceptional circumstances, to safeguard the financial interests of the Union, the Authority may offset before the due date.

An *action* may be brought against such offsetting before the General Court of the European Union in accordance with Article 263 TFEU;

- (b) by drawing on the financial guarantee where provided for in accordance with Article 5.2 of the Specific agreement ("drawing on the financial guarantee");
- (c) by taking legal *action* as provided for in Article II.18.2 or in the Special Conditions or by adopting an enforceable decision as provided for in Article II.18.3.

II.26.3 Interest on late payment

If payment is not made by the date in the debit note, the amount to be recovered will be increased by late payment interest at the rate set out in Article 5.6 of the Specific agreement from the day following the date for payment in the debit note, up to and including the date the Authority receives full payment of the amount.

Partial payment must first be credited against charges and late payment interest and then against the principal.

II.26.4 Bank charges

Bank charges incurred in the recovery process must be borne by the partner, unless Directive 2007/64/EC⁷ applies.

ARTICLE II.27 – CHECKS, AUDITS AND EVALUATION

⁷ Directive 2007/64/EC of the European Parliament and of the Council of 13 November 2007 on payment services in the internal market amending Directives 97/7/EC, 2002/65/EC, 2005/60/EC and 2006/48/EC and repealing Directive 97/5/EC.

II.27.1 Technical and financial checks, audits, interim and final evaluations

The Authority may, during the implementation of an *action* or afterwards, carry out technical and financial checks and audits to determine that the partner is implementing the *action* properly and is complying with the obligations under the Specific agreement or the Framework agreement. It may also check the partner's statutory records for the purpose of periodic assessments of lump sum, unit cost or flat-rate amounts.

Information and documents provided as part of checks or audits must be treated on a confidential basis.

In addition, the Authority may carry out an interim or final evaluation of the impact of the *action* measured against the objective of the Union programme concerned.

Authority checks, audits or evaluations may be carried out either directly by the Authority's own staff or by any other outside body authorised to do so on its behalf.

The Authority may initiate such checks, audits or evaluations during the implementation of the Specific agreement and during a period of five years starting from the date of payment of the balance for the *action* concerned. This period is limited to three years if the *maximum amount of the grant* is not more than EUR 60 000.

The check, audit or evaluation procedures are considered to be initiated on the date of receipt of the letter of the Authority announcing it.

If the audit is carried out on an affiliated entity, the partner must inform that affiliated entity.

II.27.2 Duty to keep documents

The partner must keep all original documents, especially accounting and tax records, stored on any appropriate medium, including digitalised originals when they are authorised by its national law and under the conditions laid down therein, during a period of five years starting from the date of payment of the balance for the *action* concerned.

This period during which documents must be kept is limited to three years if the *maximum amount of the grant* is not more than EUR 60 000.

The periods set out in the first and second subparagraphs are longer if there are on-going audits, appeals, litigation or pursuit of claims concerning the grant, including in the cases referred to in Article II.27.7. In such cases, the partner must keep the documents until such audits, appeals, litigation or pursuit of claims have been closed.

II.27.3 Obligation to provide information

The partner must provide any information, including information in electronic format, requested by the Authority, or by any other outside body authorised by the Authority.

If the partner does not comply with the obligation set out in the first subparagraph, the Authority may consider:

- (a) any cost insufficiently substantiated by information provided by the partner as ineligible;

- (b) any unit, lump sum or flat-rate contribution insufficiently substantiated by information provided by the partner as undue.

II.27.4 On-the-spot visits

During an on-the-spot visit, the partner must allow Authority staff and outside personnel authorised by the Authority to have access to the sites and premises where the *action* concerned is or was carried out, and to all the necessary information, including information in electronic format.

The partner must ensure that the information is readily available at the moment of the on-the-spot visit and that information requested is handed over in an appropriate form.

If the partner refuses to provide access to the sites, premises and information as required in the first and second subparagraphs, the Authority may consider:

- (a) any cost insufficiently substantiated by information provided by the partner as ineligible;
- (b) any financing not linked to costs, unit, lump sum or flat-rate contribution insufficiently substantiated by information provided by the partner as undue.

II.27.5 Contradictory audit procedure

On the basis of the findings made during the audit, a provisional report ("draft audit report") must be drawn up. It must be sent by the Authority or its authorised representative to the partner, which must have 30 calendar days from the date of receipt to submit observations. The final report ("final audit report") must be sent to the partner within 60 calendar days of expiry of the time limit for submission of observations.

II.27.6 Effects of audit findings

On the basis of the final audit findings, the Authority may take the measures it considers necessary, including recovery of all or part of the payments made by it under the Specific agreement concerned, as provided for in Article II.26.

In the case of final audit findings after the payment of the balance, the amount to be recovered corresponds to the difference between the revised final amount of the specific grant, determined in accordance with Article II.25, and the total amount paid to the partner under the Specific agreement for the implementation of the *action*.

II.27.7 Correction of systemic or recurrent irregularities, fraud or breach of obligations

II.27.7.1 The Authority may extend audit findings from other grants to a specific grant awarded under the Framework agreement if:

- (a) the partner is found to have committed systemic or recurrent *irregularities, fraud or breach of obligations* in other EU or Euratom grants awarded under similar conditions and such *irregularities, fraud or*

breach of obligations have a material impact on a specific grant awarded under the Framework agreement; and

- (b) the final audit findings are sent to the partner through a *formal notification*, together with the list of grants affected by the findings within the period referred to in Article II.27.1.

The extension of findings may lead to:

- (i) the rejection of costs as ineligible;
- (ii) reduction of the grant as provided for in Article II.25.4;
- (iii) recovery of undue amounts as provided for in Article II.26;
- (iv) suspension of payments as provided for in Article II.24.1;
- (v) suspension of the *action* implementation as provided for in Article II.16.2;
- (vi) termination as provided for in Article II.17.2.

II.27.7.2 The Authority must send a *formal notification* to the partner informing it of the systemic or recurrent *irregularities, fraud or breach of obligations* and of its intention to extend the audit findings, together with the list of grants affected.

- (a) If the findings concern eligibility of costs the procedure is as follows:

Step 1 — The *formal notification* must include:

- (i) an invitation to submit observations on the list of grants affected by the findings;
- (ii) a request to submit revised financial statements for all grants affected;
- (iii) where possible, the correction rate for extrapolation established by the Authority to calculate the amounts to be rejected on the basis of the systemic or recurrent *irregularities, fraud or breach of obligations*, if the partner:
 - considers that the submission of revised financial statements is not possible or practicable; or
 - will not submit revised financial statements.

Step 2 — The partner has 60 calendar days from when it receives the *formal notification* to submit observations and revised financial statements or to propose a duly substantiated alternative correction method. This period may be extended by the Authority in justified cases.

Step 3 — If the partner submits revised financial statements that take account of the findings the Authority will determine the amount to be corrected on the basis of those revised statements.

If the partner proposes an alternative correction method and the Authority accepts it, the Authority must send a *formal notification* to the partner informing it:

- (i) that it accepts the alternative method;
- (ii) of the revised eligible costs determined by applying this method.

Otherwise the Authority must send a *formal notification* to the partner informing it:

- (i) that it does not accept the observations or the alternative method proposed;
- (ii) of the revised eligible costs determined by applying the extrapolation method initially notified to the partner.

If the systemic or recurrent *irregularities, fraud or breach of obligations* are found after the payment of the balance, the amount to be recovered corresponds to the difference between:

- (i) the revised final amount of the grant, determined in accordance with Article II.25 on the basis of the revised eligible costs declared by the partner and approved by the Authority or on the basis of the revised eligible costs after extrapolation; and
- (ii) the total amount paid to the partner under the Specific agreement for the implementation of the *action*;

- (b) If the findings concern improper implementation or a breach of another obligation the procedure is as follows:

Step 1 — The *formal notification* must include:

- (i) an invitation to the partner to submit observations on the list of grants affected by the findings and
- (ii) the correction flat rate the Authority intends to apply to the *maximum amount of the grant* or to part of it, according to the principle of proportionality.

Step 2 — The partner has 60 calendar days from receiving the *formal notification* to submit observations or to propose a duly substantiated alternative flat-rate.

Step 3 — If the Authority accepts the alternative flat rate proposed by the partner, it must send a *formal notification* to the partner informing it:

- (i) that it accepts the alternative flat-rate;
- (ii) of the corrected grant amount by applying this flat rate.

Otherwise the Authority must send a *formal notification* to the partner informing it:

- (i) that it does not accept the observations or the alternative flat rate proposed;

- (ii) of the corrected grant amount by applying the flat rate initially notified to the partner.

If the systemic or recurrent *irregularities, fraud or breach of obligations* are found after the payment of the balance, the amount to be recovered corresponds to the difference between:

- (i) the revised final amount of the grant after flat-rate correction; and
- (ii) the total amount paid to the partner under the Specific agreement for the implementation of the *action*.

II.27.8 Rights of OLAF

The European Anti-Fraud Office (OLAF) has the same rights as the Authority, particularly the right of access, for the purpose of checks and investigations.

Under Council Regulation (Euratom, EC) No 2185/96⁸ and Regulation (EU, Euratom) No 883/2013⁹ OLAF may also carry out on-the-spot checks and inspections in accordance with the procedures laid down by Union law for the protection of the financial interests of the Union against *fraud* and other *irregularities*.

Where appropriate, OLAF findings may lead to the Authority recovering amounts from the partner.

Moreover, findings arising from an OLAF investigation may lead to criminal prosecutions under national law.

II.27.9 Rights of the European Court of Auditors and EPPO

The European Court of Auditors and the European Public Prosecutor's Office established by Council Regulation (EU) 2017/1939 ('the EPPO') and, for the processing of personal data, the European Data Protection Supervisor, have the same rights as the Authority, particularly the right of access, for the purpose of checks, audits and investigations.

⁸ Council Regulation (Euratom, EC) No 2185/96 of 11 November 1996 concerning on-the-spot checks and inspections carried out by the Commission in order to protect the European Communities' financial interests against *fraud* and other *irregularities*.

⁹ Regulation (EU, Euratom) No 883/2013 of the European Parliament and of the Council of 11 September 2013 concerning investigations conducted by the European Anti-Fraud Office (OLAF).

There is a sole reporting period covering the whole duration of this Specific agreement set out in Article 2.2;

4.2 Pre-financing

Upon entry into force of the Agreement, a pre-financing payment of **XX %** of the maximum amount specified in Article 3.1 shall be paid to the coordinator within 30 calendar days;

The aim of the pre-financing is to provide the beneficiaries with a float. The pre-financing remains the property of the Authority until it is cleared against interim payments or, if it is not cleared against interim payments, until the payment of the balance.

4.3 Requests for interim payment and supporting documents

The request for payment of **XX%** of the maximum amount specified in Article 3.1 must be submitted within 40 calendar days following the end of the interim period.

Payment is subject to the approval by EFSA of the **deliverable(s) in accordance with Annex I** and it is based on the actual number of tasks delivered.

4.4 Request for payment of the balance and supporting documents

The request for payment of the balance must be submitted within 40 calendar days following the end of the reporting period.

The request for payment submitted must be accompanied by **the deliverable(s)/final technical report in accordance with Annex I**, it is based on the actual number of tasks delivered and takes into account any reduction in payment due to penalties.

Requests for payment must be drafted in euros. The beneficiaries and affiliated entities with general accounts in a currency other than the euro must convert costs incurred in another currency into euros at the average of the daily exchange rates published in the C series of the *Official Journal of the European Union* (available at <http://www.ecb.europa.eu/stats/exchange/eurofxref/html/index.en.html>), determined over the corresponding reporting period.

If no daily euro exchange rate is published in the *Official Journal of the European Union* for the currency in question, conversion must be made at the average of the monthly accounting rates established by the Authority and published on its website (http://ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm), determined over the corresponding reporting period.

The beneficiaries and affiliated entities with general accounts in euros must convert costs incurred in another currency into euros in accordance with their usual accounting practices.

4.7 Language of requests for payments, technical reports and financial statements

All requests for payments and technical reports must be submitted in English.

ARTICLE 5 – PAYMENTS AND PAYMENT ARRANGEMENTS

5.1 Payments to be made

- one pre-financing payment referred to in Article 4.2;
- one interim payment, on the basis of the request for interim payment referred to in Article 4.3;
- one payment of the balance, on the basis of the request for payment of the balance referred to in Article 4.4

5.2 Pre-financing payment

The aim of the pre-financing is to provide the partner with a float. The pre-financing remains the property of the Union until it is cleared against interim payments or, if it is not cleared against interim payments, until the payment of the balance.

The Authority must make the pre-financing payment of EUR [insert amount] to the partner within 30 calendar days from the entry into force of the Specific agreement.

5.3 Interim payment

As specified in section 1.8 of the call for proposals and upon agreement of the Authority.

If applicable, the Authority must pay the partner the amount due as interim payment within 60 calendar days from when the Authority approved the related deliverable(s). The approval does not imply recognition of the compliance, authenticity, completeness or correctness of its content.

As the grant takes the form of financing not linked to costs, the Authority applies the financing not linked to costs if it finds that the conditions specified in Annex I are fulfilled, and the results (deliverable(s)) specified in Annex I are achieved.

5.4 Payment of the balance

The Authority must pay the partner the amount due as payment of the balance within 60 calendar days from when the Authority approved the technical report. The approval does not imply recognition of the compliance, authenticity, completeness, or correctness of its content.

As the grant takes the form of financing not linked to costs, the Authority applies the financing not linked to costs if it finds that the conditions specified in Annex I are fulfilled, and the results (technical report) specified in Annex I are achieved.

The Authority determines the amount due as the balance by deducting the total amount of pre-financing and interim payment already made, if any, from the final amount of the grant.

In addition, and with reference to section 1.4 of the call for proposals, a payment reduction will be applied in the event of exceeding the the maximum number of allowed deviations from timelines for delivery of entrusted key tasks.

The amount to be paid may, however, be offset, without the beneficiary's consent, against any other amount owed by the beneficiary to the Commission or to an executive agency (under the EU or Euratom budget), up to the maximum grant amount indicated in Article 3.1.

5.5 Notification of amounts due

The Authority will send an e-mail to the partner:

- (a) informing it of the amount due; and
- (b) specifying whether the notification concerns an interim payment or the payment of the balance.

For the payment of the balance, the Authority must also specify the final amount of the grant.

5.6 Interest on late payment

If the Authority does not pay within the time limits for payment, the partner is entitled to late-payment interest at the rate applied by the European Central Bank for its main refinancing operations in euros ('the reference rate'), plus three and a half points. The reference rate is the rate in force on the first day of the month in which the time limit for payment expires, as published in the C series of the *Official Journal of the European Union*.

Late-payment interest is not due if the partner is a Member State of the Union (including regional and local government authorities and other public bodies acting in the name of and on behalf of the Member State for the purpose of the Framework agreement and the Specific agreement).

If the Authority suspends the time limit for payment as provided for in Article II.24.2 of the Framework agreement or if it suspends payments as provided for in Article II.24.1 of the Framework agreement, these actions may not be considered as cases of late payment.

Late-payment interest covers the period running from the day following the due date for payment, up to and including the date of actual payment as established in Article 5.8. The Authority does not consider payable interest when determining the final amount of grant within the meaning of Article II.25 of the Framework agreement.

As an exception to the first subparagraph, if the calculated interest is lower than or equal to EUR 200, it must be paid to the partner only if the partner requests it within two months of receiving late payment.

5.7 Currency for payments

The Authority must make payments in euros.

5.8 Date of payment

Payments by the Authority are considered to have been carried out on the date when they are debited to its account.

5.9 Costs of payment transfers

Costs of the payment transfers are borne as follows:

- (a) the Authority bears the costs of transfer charged by its bank;
- (b) the partner bears the costs of transfer charged by its bank;
- (c) the party causing a repetition of a transfer bears all costs of repeated transfers.

5.10 Payments to the partner

The Authority must make payments to the partner (coordinator in case of consortium).

Payments to the coordinator in case of consortium discharge the Authority from its payment obligation.

ARTICLE 6 – BANK ACCOUNT FOR PAYMENTS

All payments must be made to the partner's bank account as indicated below:

Name of bank: [...]

Precise denomination of the account holder: [...]

Full account number (including bank codes): [...]

IBAN code: [...]

ARTICLE 7 - COMMUNICATION DETAILS OF THE
