

CLARIFICATION N°4

Call reference: EUBA-EFSA-2024-NIF-01

Call title: Contribution to the Risk Assessment of Novel Foods and Nutrient Sources in the EU.

Question 1: The University posing the question is present in the list of competent organisations. One of the members of the "Toxicology" group interested in being part of the project is a fixed-term researcher who currently belongs to another University which is not present in the list of competent organisations. Can this researcher still participate in the call if he/she is part of the establishment of a group whose leader belongs to one of the competent organisations?

Answer 1: All experts proposed for this Call for Proposals should be hired by an organisation on the list of Competent organisations.
