

CLARIFICATION N°5

Call reference: EUBA-EFSA-2024-ENREL-01

Call title: Selection of hosting sites and fellows for EFSA's European Food Risk Assessment Fellowship (EU-FORA) Programme

Question 1: is it an option to propose in the same proposal 2 host organisations for the EUFORA programmes?

Answer: As indicated in the Call text (Section 1.5. Eligible organisations), the proposals must be submitted by a consortium of two eligible organisations from two different EU countries. Norway or Iceland. The applicant (consortium leader) is responsible for identifying consortium partners. The fellow hosting site will be the consortium leader (applicant) and will propose a work programme and be responsible of the training of the fellow. The other partner in the consortium is the fellow sending organisation and will propose a fellow to be trained under the proposal.

Therefore, there can only be one hosting site and one fellow sending organisation.

However, a hosting site can propose to host more than one fellow by (see section 2.5 Award criteria):

- the submission of a single proposal with a work programme which could be offered to more than one fellow of the same consortium, indicating the number of placements applied for, or;
- the submission of different proposals, in different consortia, with the same or different work programmes (one per fellow).

Question 2: Could you please help me and let me know where is it or the list of documents needed?
