Corrigendum n.1

Call for proposals: EUBA-EFSA-2026-BIOHAW-01

Call title: Support to EFSA in the risk assessment of alternative methods for the use and disposal of animal by-products and derived products

Modification of section 1.10 (Publicity) as follows:

[…]

With regards to publications of EFSA outputs that are integrating the preparatory work delivered in the context of this grant, *depending on the nature of their contribution, beneficiaries may be included in the author/contributor list published in the EFSA Journal; this is also subject to the provision of a valid declaration of interests.*

Modification of section 2.4.B.1 (DECLARATION OF INTERESTS - DoIs) as follows:

The link to the Individual Declarations of Interests applicable to procedures launched from June 2025 *and concerning EFSA's risk assessment work equivalent to that performed by EFSA's Working Groups has been updated.*

The updated link is the following: https://www.efsa.europa.eu/en/calls/art36grants

Applicants are reminded that Individuals DoIs do not need to be provided with the proposal.

The following Call for proposals document has been updated in track changes and published in the Funding & Tender portal to illustrate the changes described above:

- Call for proposals, section 1.10 (Publicity), section 2.4.B.1 (Declaration of Interests – DoIs)
