

Clarification n.1

Reference: CONTEST/EFSA/AMU/2020/01

Title: Design of an Artificial Intelligence solution to detect fake news using EFSA's body of scientific opinions to safeguard the credibility of information in EU about food and feed safety

Question:

How do I register for the Hackathon?

Answer:

As indicated in the rules on contest (page 6), the registration should be made via email by 28th January 2021 at 14:30 CET to EFSAProcurement@efsa.europa.eu. The email should include the following documents:

- the Administrative Data Form
- the Legal Entity Form
- the Declaration of Honour on Exclusion.

The above documents are available [here](#) on EFSA website.
