## Note regarding the processing of personal data

EFSA processes all Declarations of Interests (DoIs) in accordance with Regulation (EU) 2018/1725. DoI processing is necessary in order to safeguard the independence of EFSA and enable the Authority to carry out its mission and comply with its obligations under Regulation (EC) No 178/2002.

The Executive Director of EFSA is the data controller with respect to the handling of DoIs.

Concerned individuals have the right to access, rectify, erase and object to the processing of their ADoI at any time. Nevertheless, for certain categories of individuals (e.g., experts), it may be a mandatory requirement to submit a DoI to EFSA so as to verify the absence of conflicts of interests and thus protect the independence of EFSA. Concerned individuals will be contacted if EFSA becomes aware of information that is not consistent with the declared interest such as on the occasion of compliance monitoring activities outlined in the relevant [Standard Operating Procedure](#).

Certain ADoIs shall be made publicly available in accordance with Article 38(1)(d) of Regulation (EC) No 178/2002. Furthermore, ADoIs may be transferred to bodies in charge of monitoring, auditing or inspection in conformity with EU Law.

The conservation period for ADoIs per category of data subjects is 10 years from the date of submission of the relevant ADoI.

Concerned individuals may direct any queries regarding personal data processing by EFSA to the data protection officer [DataProtectionOfficer@efsa.europa.eu](mailto:DataProtectionOfficer@efsa.europa.eu). They are entitled to submit a complaint at any time to the European Data Protection Supervisor: <http://www.edps.europa.eu>

The legal basis for ADoI processing is provided for in Articles 22, 37 and 38 of Regulation (EC) No 178/2002.
