

Declaration of interests

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name : **RICCARDO CREBELLI**

Title: **DR.**

Profession : **Retired from the Italian National Institute of Health (Istituto Superiore di Sanità)**

Current EFSA Involvements

- Hearing Expert - FAF Panel Experts (2018-2024)
- Member - CEP Panel Experts (2018-2024)
- Member - WG/P/FAF/2018/01 - WG on Sweeteners
- Member - WG/P/CEP/2018/01 - WG Food Contact Materials
- Member - WG/P/CEP/2018/03 - WG on BPA re-evaluation
- Member - WG/U/SCER/2018/03 - Cross-cutting WG Genotoxicity
- Member - NT/P/CEP/2018/01 - FIP Network on Food Contact Materials (FCM)
- Member - WG/P/CEP/2020/02 - WG on preparation for re-evaluation of phthalates, structurally similar substances and replacement substances
- Member - WG/P/FAF/2021/01 - WG - FAF Panel - WG on Sulphur Dioxide-Sulphites (E220-228)
- Member - WG/P/FAF/2018/05 - WG on the re-evaluation of miscellaneous food additives

Interests

I. Financial investments

No interests

II. Managerial role

No interests

III. Member of a scientific advisory entity

Period: **01/07/2019 - 01/04/2020**

Organisation: **Ministero della Salute - Consiglio Superiore di Sanità**

Impact on annual earnings: **0%**

Subject matter: member of a permanent working group advising on "natural, thermal and spring mineral waters".

Period: **01/05/2017 - 01/04/2020**

Organisation: **Ministry of Health (Advisory Committee on Pesticides)**

Impact on annual earnings: **0%**

Subject matter: expert of the Advisory Section on Pesticides of the Technical Committee on Nutrition and Animal Health of the Ministry of Health (from May 2017). As external expert I provide advice on risk assessment of plant protection products, with no responsibility on risk management issues which are of competence of the Ministry of Health

Period: **01/01/2011 - 01/12/2016**

Organisation: **Ministero della Salute**

Impact on annual earnings: **0%**

Subject matter: Member of the National Advisory Committee on Pesticides (2011-2016);

Period: **01/07/2010 - 01/06/2016**

Organisation: **OECD - Test Guideline Programme**

Impact on annual earnings: **0%**

Subject matter: Within the framework of the OECD Test Guideline Programme, an expert group to review the set of OECD Test Guidelines on Genotoxicity has been established on July 2010. R.C has been appointed to participate as national expert. The working group is revising existing and newly proposed test guidelines, and will update the OECD introductory document on genetic toxicology testing and testing strategies. Testing strategies have also been recently reviewed by the EFSA working group on Genotoxicity testing strategies. It is noted that there is no overlap between the EFSA and scheduled OECD activities, because the EFSA opinion on testing strategies has already been finalized and published in 2011. No physical meeting are attended. Written comments forwarded through the National Coordinator (one-three for year) .

IV. Employment

Period: **01/01/1984 - 01/04/2020**

Organisation: **Italian National Institute of Health (Istituto Superiore di Sanità)**

Impact on annual earnings: **>25%**

Subject matter: As director of research my main responsibility was the direction of a research unit at ISS (from 1995 to 2019) and later (2019-2020) of the DEpartment of Environment and Helth. When requested I provide advice to the ISS President or to the Ministry of Health on risk assessment of environmental pollutants and their effects on human population. Such activity does not entail risk management issues, which are under the responsibility of the Ministry of Health. I am retired from ISS since April 1st 2020.

V. Occasional consultancy

Period: **01/08/2018 - now**

Organisation: **Agenzia Italiana del Farmaco**

Impact on annual earnings: **0%**

Subject matter: Appointed on 22.08.2018 as European Expert by the Italian Medicines Agency to provide scientific advice to EMA on pre-clinical studies in the area Special studies - Genetic toxicity. I provided advice to EMA in February 2020 on the health risk related to the presence of nitrosamine residues in drugs

Period: **01/03/2017 - 01/11/2018**

Organisation: **Public prosecutor's office at the ordinary tribunal of Vicenza**

Impact on annual earnings: **0%**

Subject matter: advise the Public Prosecutor's office on the health risks related to contamination of groundwater and drinking water by PFAS in the district of Vicenza and surroundings. This task is performed in the framework of the institutional activity carried out at the Istituto Superiore di Sanità, with no financial benefit of any nature.

Period: **01/01/2002 - 01/04/2020**

Organisation: **Ministry of Health (Superior Council of Health)**

Impact on annual earnings: **0%**

Subject matter: Advising activity on genotoxicity of Food contact materials and guideline values for vanadium, lead, arsenic, chromium, thallium and perfluoro alkyl compounds in drinking water (one to four meetings per year)

VI. Research funding

Period: **01/12/2014 - 01/11/2016**

Organisation: **Regione Veneto**

Subject matter: experimental and advising activity on toxicology of perfluorinated alkyl compounds (PFAS) present as contaminants in drinking water

Does the funding received from the private sector during the two years preceding the submission of the ADol exceeds 25% of the total research budget that is managed by you for the area under concern: **No**

Additional Info:

VII. Intellectual property rights

No interests

VIII. Other memberships or affiliations

No interests

IX. Other relevant interest

Period: **01/10/2021 - now**

Organisation: **ECHA - European Chemical Agency**

Impact on annual earnings: **0%**

Subject matter: EFSA representative to contribute to the preparation of a background document on the use of the Chromosome Aberration (CA) test in in vitro and in vivo under REACH, for the 75th meeting of the ECHA Member State Committee (MSC-75, 11-15 October 2021).

Period: **01/09/2020 - 01/10/2021**

Organisation: **Publisher MDPI**

Impact on annual earnings: **0%**

Subject matter: Guest-Editor of a Special Issue "Food Additives: Safety Assessment, Consumer Dietary Exposure Estimates and Regulation" of the open access journal Toxics note the lack of conflict was preliminary checked before the acceptance of the task considering that 1) there is no involvement of food industry in this activity, 2) food additives are not in remit of my current involvement as EFSA expert, 3) no remuneration is foreseen, 4) there is no mention to personal current or previous engagements with EFSA in the journal informative material.

Period: **01/07/2018 - 01/12/2019**

Organisation: **World Health Organisation (WHO)**

Impact on annual earnings: **0%**

Subject matter: participation to the revision of the Chapter on Genotoxicity of EHC 240 Principles and Methods for the Risk Assessment of Chemicals in Food

Period: **01/10/2017 - 01/10/2017**

Organisation: **Frutarom Italy srl**

Impact on annual earnings: **0%**

Subject matter: participation to a meeting on "Natural and innovative ingredients in the production of meat food products" (Parma, 26 October 2017) jointly organized by the University of Parma and the company

Frutarom, with a presentation on the role of EFSA in the EC program of revision of food additives. The meeting was a scientific event open to all interested parties (researchers in food technology, industrial stakeholders, general public), and was basically aimed to provide general information on scientific and technical aspects related to meat food production, NOT consultancy on specific aspects. The participation to the meeting was in personal capacity, not as an EFSA spokesman. No fee or other form of payment was received for the talk given.

Period: **01/01/2017 - 01/06/2018**

Organisation: **Istituto Superiore di Sanità**

Impact on annual earnings: **0%**

Subject matter: in the period indicated I participated to a research project on titanium dioxide nanoparticles, funded by the Italian Ministry of Health. the work was published in Journal of Applied Toxicology (2018): 1-12 (C.Andreoli et al., Critical issues in genotoxicity assessment of TiO₂ nanoparticles by human peripheral blood mononuclear cells).

User Agreement

I confirm that:

- I think I do not have a conflict of interest with respect to my activity(ies) at EFSA
- ~~I think I have a conflict of interest with respect to my activity(ies) at EFSA~~

Remarks:

I hereby declare that I have read the [EFSA Decision on Competing Interest Management](#) implementing EFSA's Policy on Independence and that the above declaration is truthful and complete.

Note regarding the processing of personal data

EFSA processes all Declarations of Interests (DoIs) in accordance with Regulation (EU) 2018/1725. DoI processing is necessary in order to safeguard the independence of EFSA and enable the Authority to carry out its mission and comply with its obligations under Regulation (EC) No 178/2002.

The Executive Director of EFSA is the data controller with respect to the handling of DoIs.

Concerned individuals have the right to access, rectify, erase and object to the processing of their ADol at any time. Nevertheless, for certain categories of individuals (e.g., experts), it may be a mandatory requirement to submit a DoI to EFSA so as to verify the absence of conflicts of interests and thus protect the independence of EFSA. Concerned individuals will be contacted if EFSA becomes aware of information that is not consistent with the declared interest such as on the occasion of compliance monitoring activities outlined in the relevant [Standard Operating Procedure](#).

Certain ADols shall be made publicly available in accordance with Article 38(1)(d) of Regulation (EC) No 178/2002. Furthermore, ADols may be transferred to bodies in charge of monitoring, auditing or inspection in conformity with EU Law.

The conservation period for ADols per category of data subjects is 10 years from the date of submission of the relevant ADol.

Concerned individuals may direct any queries regarding personal data processing by EFSA to the data protection officer DataProtectionOfficer@efsa.europa.eu. They are entitled to submit a complaint at any time to the European Data Protection Supervisor: <http://www.edps.europa.eu>

The legal basis for ADol processing is provided for in Articles 22, 37 and 38 of Regulation (EC) No 178/2002.
