

Declaration of interests

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name : **Alfonso Siani**

Title: **MR.**

Profession : -

Current EFSA Involvements

- Member - NDA Panel Experts (2018-2024)
- Chair - WG/P/NDA/2018/01 - Claims 2018-2024

Interests

I. Financial investments

No interests

II. Managerial role

No interests

III. Member of a scientific advisory entity

No interests

IV. Employment

Period: **01/06/2010 - now**

Organisation: **National Research Council (CNR)**

Impact on annual earnings: **>25%**

Subject matter: Dr. Siani is currently the supervisor of the Epidemiology & Population Genetics Unit at ISA-CNR. As Research Director, he has management and administrative responsibilities. He coordinates research in the field of Food & Health. In particular: Surveys of adult and children populations to identify patterns of diet and risk exposure. Epidemiological studies of the role of dietary and environmental factors on obesity and metabolic syndrome. Research on gene-environment interactions on obesity and CV diseases. Implementation and validation of dietary questionnaires and risk exposure assessment in adults and children. Observational and intervention survey for the prevention of the obesity and related disorders in children in Europe. He coordinates the participation of ISA-CNR to national and international projects and participates to advisor/guideline panels.

V. Occasional consultancy

No interests

VI. Research funding

Period: **01/03/2012 - 28/02/2017**

Organisation:

Subject matter: I declare that I have received research funds from the EC for the implementation of the FP7° Project I.Family (Project full title: " Determinants of eating behaviour in European children, adolescents and their parents " Grant agreement no: 266044, starting on March 1st 2012 and ending on February 28th 2017). The study will deliver reliable data to assess the factors involved in eating behavior in European children, adolescents and their families. I.Family pursues two main objectives: · to understand the interplay between barriers and drivers towards a healthy food choice, and · to develop and disseminate strategies to induce changes promoting a healthy dietary behaviour in European consumers, especially children, adolescents and their parents. Beyond pure research, I.Family will offer activities for health promotion and prevention in schools and communities. The research activity is expected to deliver scientific publications and reports, as well as dissemination material. The funds received by the EC will be used for the achievement of the scientific objectives of the project. No private funds are used for the research activity.

Does the funding received from the private sector during the two years preceding the submission of the ADol exceeds 25% of the total research budget that is managed by you for the area under concern: **No**

Additional Info:

VII. Intellectual property rights

No interests

VIII. Other memberships or affiliations

Period: **01/01/2008 - now**

Organisation: **Italian Society of Human Nutrition SINU**

Impact on annual earnings: **0%**

Subject matter: Member. The Italian Society of Human Nutrition (SINU) is a no-profit scientific society funded by the membership fees. The Society collaborates with other public research body in the preparation of nutritional guidelines and advice for health operators and for the general public. The society does not operate upon mandate of the Government or other public bodies. No fee or salary is perceived for this activity. Currently, the expert does not participate to any working group of SINU. The society usually meets once at year for a scientific Symposium. The impact on annual earnings is 0%.

IX. Other relevant interest

Period: **01/01/2015 - now**

Organisation: **ELSEVIER**

Impact on annual earnings: **0%**

Subject matter: From January 1st, 2015 Dr. Siani has been appointed as Deputy Editor-in-Chief to Nutrition, Metabolism and Cardiovascular Diseases (NMCD) a scientific Journal edited by Elsevier. From 2018 to 2020, he was appointed as Editor-in-Chief and from January 2021 as Past Editor-in-Chief. Under this role, Dr. Siani supervises the publication of peer-reviewed scientific papers and collaborate to the editorial strategies of the Journal. No fee or salary is perceived for this activity.

User Agreement

I confirm that:

- I think I do not have a conflict of interest with respect to my activity(ies) at EFSA
- ~~I think I have a conflict of interest with respect to my activity(ies) at EFSA~~

~~Remarks:~~

I hereby declare that I have read the [EFSA Decision on Competing Interest Management](#) implementing EFSA's Policy on Independence and that the above declaration is truthful and complete.

Note regarding the processing of personal data

EFSA processes all Declarations of Interests (DoIs) in accordance with Regulation (EU) 2018/1725. DoI processing is necessary in order to safeguard the independence of EFSA and enable the Authority to carry out its mission and comply with its obligations under Regulation (EC) No 178/2002.

The Executive Director of EFSA is the data controller with respect to the handling of DoIs.

Concerned individuals have the right to access, rectify, erase and object to the processing of their ADol at any time. Nevertheless, for certain categories of individuals (e.g., experts), it may be a mandatory requirement to

submit a DoI to EFSA so as to verify the absence of conflicts of interests and thus protect the independence of EFSA. Concerned individuals will be contacted if EFSA becomes aware of information that is not consistent with the declared interest such as on the occasion of compliance monitoring activities outlined in the relevant [Standard Operating Procedure](#).

Certain ADols shall be made publicly available in accordance with Article 38(1)(d) of Regulation (EC) No 178/2002. Furthermore, ADols may be transferred to bodies in charge of monitoring, auditing or inspection in conformity with EU Law.

The conservation period for ADols per category of data subjects is 10 years from the date of submission of the relevant ADol.

Concerned individuals may direct any queries regarding personal data processing by EFSA to the data protection officer DataProtectionOfficer@efsa.europa.eu. They are entitled to submit a complaint at any time to the European Data Protection Supervisor: <http://www.edps.europa.eu>

The legal basis for ADol processing is provided for in Articles 22, 37 and 38 of Regulation (EC) No 178/2002.
