<b>V. Occasional consultancy</b>			NO INTEREST
<b>VI. Research funding</b>			NO INTEREST
<b>VII. Intellectual property rights</b>			NO INTEREST
<b>VIII. Other memberships or affiliations</b>	09/2015 - now	-Name: Asociatia One Health New Medical Concept din Romania, OHR, One Health New Medical Concept Association in Romania	<p>One Health New Medical Concept Association in Romania, or One Health Romania, a Non Governmental Organisation, established in 2015, has a sole mission to implement the One Health concept in Romania and not only, by connecting all professions from the One Health universe in a single effort to find solutions to the major social, medical and environmental issues still without an efficient answer.</p> <p>The Association was established in order to fill the national void when it comes to establishing partnerships between institutions and professionals of different areas of expertise, in order to be able to tackle complex issues that cannot be addressed from only one way.</p> <p>My activities within the Association were within the processes of legal establishment and acting as a spokesperson. Furthermore, from the position as spokesperson, I handled all national and international official communications.</p> <p>These activities were not remunerated in any way and did not interfere with my duties as an official veterinarian at the NSVFSA (all of the activities were done outside office hours).</p> <p>The funding of the Association was mainly from accessing grants through partnerships.</p> <p>Starting with the mid of 2017, I did not perform any more activities for the Association, though my member quality is still active. Impact on annual earnings: 0%</p>

	09/2012 - now	-Name: Colegiul Medicilor Veterinari din Romania, CMVRo, the College of Veterinarians in Romania	<p>The College of Veterinarians in Romania, an Non Governmental Organization with a legal personality, is organised and functions under Law 160/1998, as an autonomous, apolitical and non-profit organisation, that represents the interests of veterinarians in Romania.</p> <p>In order to be able to practice as a veterinarian in Romania (regardless if it is small animal practice, animal husbandry, research, etc.), the law says that you have to be enrolled in the College of Veterinarians in Romania, which is the regulatory body for this profession.</p> <p>The funding of the College of Veterinarians in Romania mainly comes from the fees that every member must pay annually.</p> <p>My quality is strictly of membership, without any management positions or involvement in decision making. Impact on annual earnings: 0%</p>
<b>IX. Other relevant interest</b>			NO INTEREST
<b>X. Interests of close family members</b>			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
