CONCLUSIONS & RECOMMENDATIONS

- Lower rate of activity on **information exchange** (phase out of IEP), high email exchange
- Contribute to identify (new) tools for **information exchange** – pilot in 2016 (with FPs)
- Very good FP work on the **G&P domain** - further promotion of **submission of applications** and **consortia**
- Further streamline **interaction** and **information exchange** between AF, FP and SNs – use **available guidelines**
- Improve further information exchange on **international cooperation**
- Scientific Cooperation **Annual Report** 2015 coming, including Toolbox and overview of Partners in MS
