

# Promotion of the cooperation between EFSA and Art. 36 in Italy: practicalities and opportunities

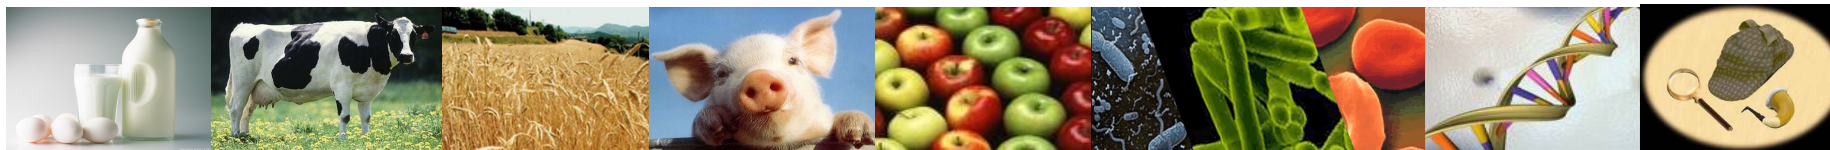

Luca Busani

Dipartimento di Sanita' Pubblica Veterinaria e Sicurezza Alimentare  
Istituto Superiore di Sanità

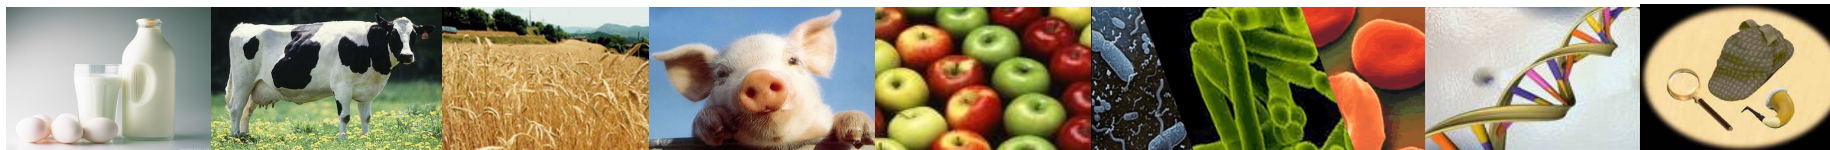

# Starting points

- EFSA report on cooperation 2007-2015
  - Awarded grants
  - Participating art.36
- 2014 meeting with national art. 36
  - Opportunities, needs
- EFSA Training on G&P presented during 25° FP meeting, November 2015 in Parma

# Objectives

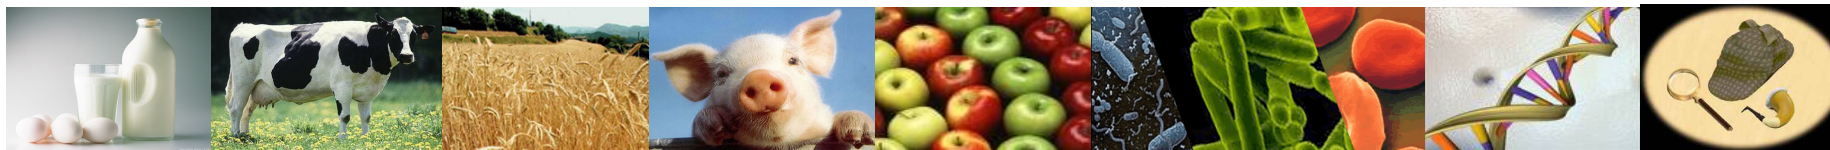

- Promote cooperation with EFSA and networking among art. 36
- Present the tools (old and new ones) and opportunities of cooperation
- Share experiences among participants

# Events

Three events programmed in 2016:

- South Italy (Catania, Sicily)
  - Co-organized with Ministero della Salute and Istituto Zooprofilattico Sperimentale della Sicilia
- Centre Italy (Rome, Latium)
  - Co-organized with Ministero della Salute and Istituto Superiore di Sanità
- North Italy (Milan, Lombardy)
  - Co-organized with Ministero della Salute and Istituto Zooprofilattico Sperimentale della Lombardia and Emilia Romagna

# The Program

- 3 hours of training:
  - General presentation of FP and MoH
  - National strategy of Risk Assessment
  - Management of the national art. 36
  - Tools and strategy for the cooperation with EFSA
  - Experiences of application (EFSA grants and procurements-three presentations)
  - Administrative issues related to grants and procurements
  - Discussion and closure

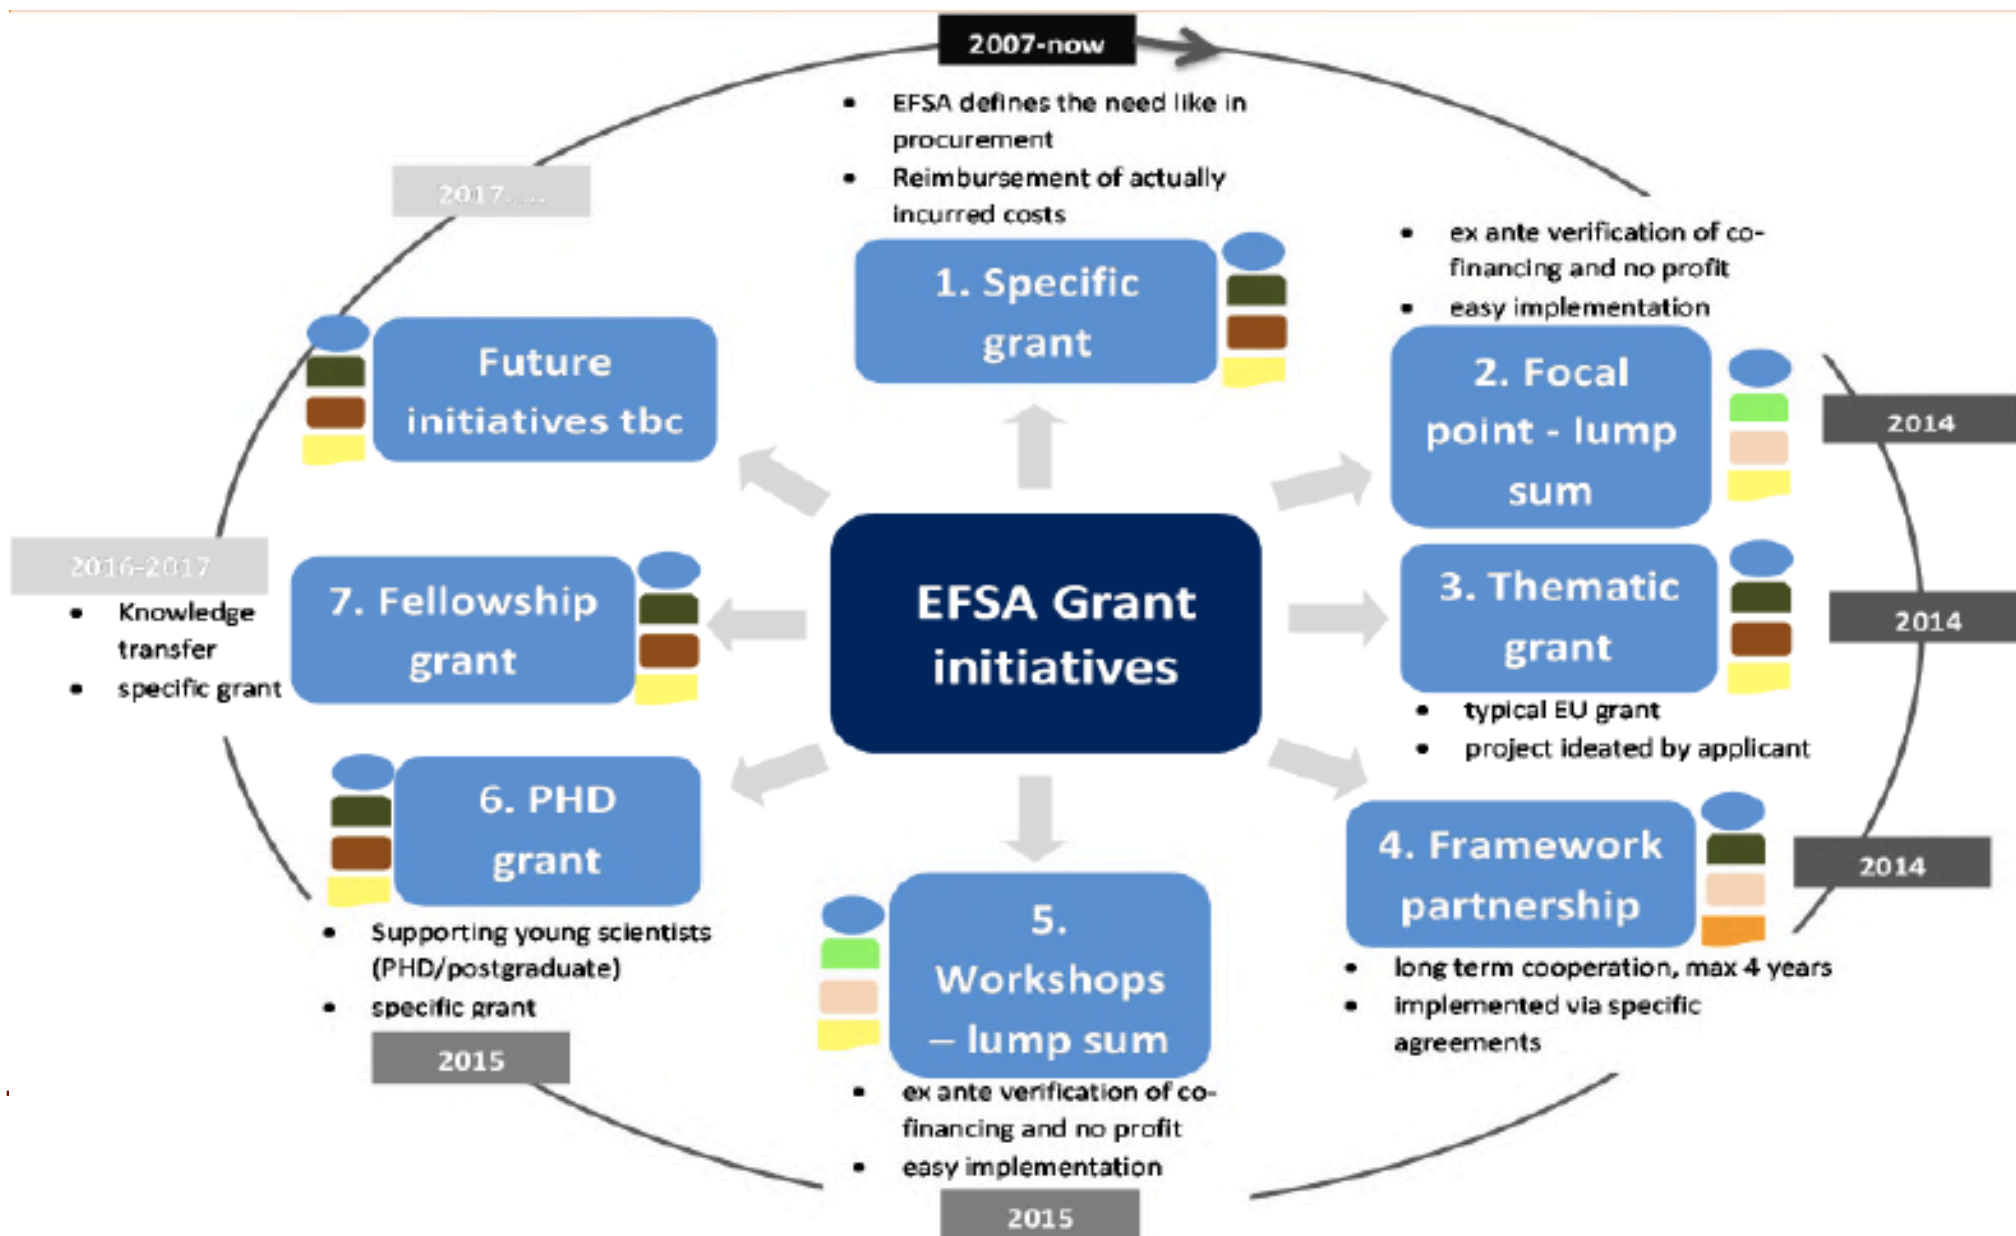

# The events

- Catania (February 19th) and Rome (March 14th): small differences between the two events but success in both (90 and 40 attended). Milan, May 26th 2016
- Appreciated the administrative issues and the experiences
- Interest in the education tools and talent management from Universities art. 36
- Role of the FP underlined

# The "key" slide

## The events - discussion

- About opportunities and need to get to know each other
- About administrative issues and specific points related to finance and reporting
- General interest and more awareness about the cooperation with EFSA
- Keys for successful application:
  - scientific and technical background
  - correct interpretation of the request
  - capacity to present a competitive proposal

# Grazie per l'attenzione...
