Preparing discussion with AF

Management of List by MS & EFSA

- Simplifying processes for managing the List
- Clear guidelines and harmonisation of understanding
- Draft part on Art.36 in new FP Manual

Use of List by EFSA & MS

- Improve networking & incentives for org.
- Better tools to identify partners & to collaborate
- Better use of available documents/information

INFORMATION: NATIONAL FP SURVEYS

- SWOT analyses already covered most issues related to the process and tool for managing the Art.36 list.
- Among the relevant points raised by Art.36 org.:
 - need to provide evidence of claimed competences
 - use of the documents and information collected during the submission process also for other purposes, at least within EFSA, to simplify bureaucracy
 - main expectation from Art.36 org.: identification of suitable partners for networking and consortia
- Limitation: poor harmonization among the evaluations, both in terms of objectives and methods
