EFSA – WHO WE ARE

The **European Food Safety Authority (EFSA)** is the keystone of the European Union (EU) for **risk assessment** regarding food and feed safety, in close collaboration with national authorities and in open consultation with its stakeholders (*European Commission, European Parliament, Member States, etc.*)

EFSA Strategy 2020
 Trusted science for safe food

EFSA – WHAT WE DO

EFSA is the leading science-driven European body at the forefront of **transparent risk assessment** and **open risk communications** in food safety.

Independent
scientific advice

Scientific
cooperation

Open and
connected
communication

Clear
communication
on existing and
emerging risks

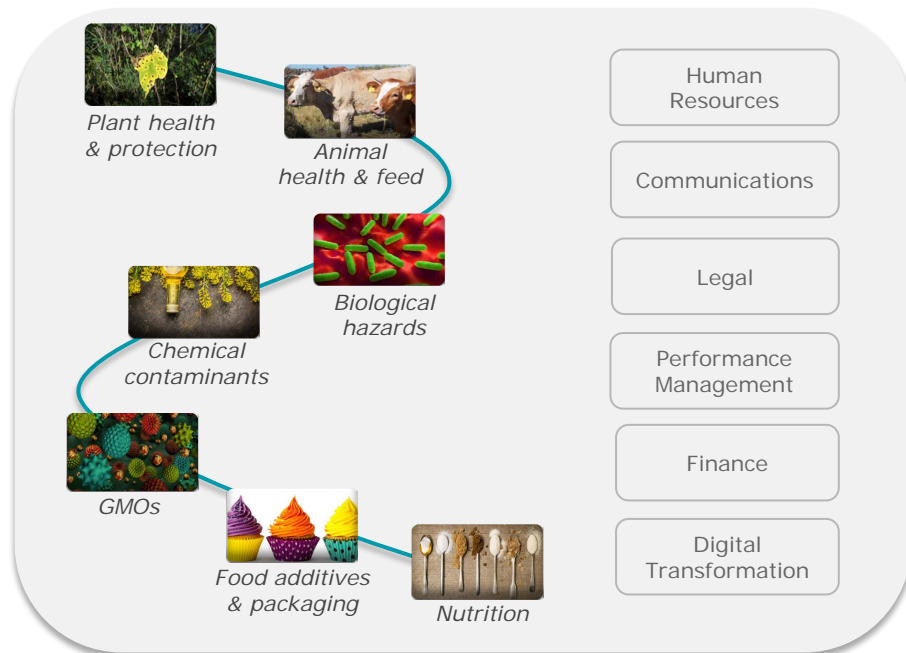

Laws and
regulations

Implementation
of food safety
norms and
sanctioning

Food controls
and quality
certificate

Laboratory
analyses and
experiments

EFSA – WHAT WE DO

Deliver impactful science

Contribute to building Europe together

Grow and work in an innovative environment
