

ECDC-EFSA 3rd JOINT NETWORKS MEETING

AGENDA

ONE HEALTH APPROACH TO COLLABORATIVE RESPONSE TO FOODBORNE DISEASE OUTBREAKS IN EU/EEA

16-17 OCTOBER 2017, PARMA, ITALY

Monday 16 October 2017		
13.30	Registration	
14.00	Opening and welcome	Hans Verhagen (EFSA)
	Introduction	Valentina Rizzi (EFSA) / Johanna Takkinen (ECDC)
Session 1: MULTI-COUNTRY FOODBORNE OUTBREAK EVENT		Chairs: Ernesto Liebana – Peter Gerner-Smidt
14:30	Multi-country foodborne outbreak due to Salmonella Enteritidis phage type 8, MLVA profile 2-9-7-3-2 and 2-9-6-3-2	
	<ul style="list-style-type: none"> - National public health investigation in the Netherlands - National food investigation in the Netherlands - National public health and food investigations in Poland - Overview of public health investigation at EU level - Risk management actions taken at EU level - Tracing of foods during outbreak investigations - Plenary discussion 	Eelco Franz (Netherlands) Ife Slegers (Netherlands) Piotr Polański (Poland) Ettore Severi (ECDC) Pamina Suzuki (EC) Valentina Rizzi (EFSA) All presenters
16.15	COFFEE BREAK	
Session 2: FOODBORNE OUBREAKS SIGNAL DETECTION TOOLS		Chairs: Frank Boelaert - Therese Westrell
16.45	Framework for foodborne outbreak signal detection and response	
	<ul style="list-style-type: none"> - EWRS - EPIS (UI) – Epidemic intelligence - Molecular surveillance - Joint ECDC-EFSA Molecular Typing Database for PFGE and MLVA/ Mandate on WGS - RASFF - Plenary discussion 	Ettore Severi (ECDC) Daniel Palm (ECDC) Valentina Rizzi (EFSA) / Ivo Van Walle (ECDC) Jan Baele (EC) All presenters
17:45	One Health approaches in action	
	<ul style="list-style-type: none"> - One Health project - EuroCigua project 	Jürg Danuser (Switzerland) Carme Varela Martinez (Spain)
18.15	ADJOURN	
19.30	DINNER	

Tuesday 17 October 2017

Session 3: PREPAREDNESS		Chairs: Beatriz Guerra – Daniel Palm
9:00	ENGAGE	Pimlapas Leekitcharoenphon (DTU)
9:20	INNUENDO	Mirko Rossi (University of Helsinki)
9:40	COMPARE	Eva Møller Nielsen (SSI)
10:00	Plenary discussion	All presenters
Session 4: FOODBORNE OUTBREAKS SIGNAL RESPONSE		
10.10	Response to foodborne outbreak signals at EU level <ul style="list-style-type: none"> - Management of foodborne outbreaks at EU level - SOPs for responding to joint clusters/ RRA/ ROA - FoodChainLab - Plenary discussion 	Pamina Suzuki (EC) Valentina Rizzi (EFSA) / Ettore Severi (ECDC) Olaf Mosbach-Schulz (EFSA) All presenters
11:15	COFFEE BREAK	
Session 5: MULTI-COUNTRY FOODBORNE OUTBREAK EVENT		Chairs: Valentina Rizzi - Johanna Takkinen
11.45	Multi-country foodborne outbreak due to <i>Salmonella</i> spp. with antigenic type 11:z41:e,n,z15 <ul style="list-style-type: none"> - National public health investigation in Greece - National public health investigation in Germany - National food investigation in Germany - National food investigation in Greece - Overview of public health investigation at EU level - Tracing of foods during outbreak investigations - Risk management actions taken at EU level - Plenary discussion 	Kassiani Mellou (Greece) Christina Frank / Angelika Fruth (Germany) Petra Luber (Germany) Kassiani Mellou (Greece) Ettore Severi (ECDC) Valentina Rizzi (EFSA) Pamina Suzuki (EC) All presenters
13:15	LUNCH	
Session 6: THE CASE OF LISTERIA		Chairs: Winy Messens – Taina Niskanen
14:15	Country examples of surveillance of listeriosis <ul style="list-style-type: none"> - Listeriosis in Moravian-Silesian region, Czech Republic in 2016 - A Cross Sectorial study: Genomic data combined with metadata on <i>Listeria monocytogenes</i> from clinical cases of listeriosis and contaminated food and environmental samples in the UK 	Renata Karpíšková (the Czech Republic) Kathie Grant (the United Kingdom)
14.45	<i>Listeria</i> and listeriosis; enhancing surveillance, prevention and control <ul style="list-style-type: none"> - EFSA <i>Listeria</i> Working Group - LiSeQ - ELITE WGS analytical pipelines for <i>Listeria</i> - Plans for enhanced surveillance of listeriosis 	Winy Messens (EFSA) Eva Møller Nielsen (SSI) Ivo Van Walle (ECDC) Daniel Palm (ECDC)
15:30	COFFEE BREAK	

Session 7: THE INTERNATIONAL PERSPECTIVE		Chairs: Ernesto Liebana – Ivo Van Walle
16.00	Global vision of integrating WGS in foodborne disease surveillance and outbreak investigation	Peter Gerner-Smidt (CDC)
Session 8: STRENGTHENING COLLABORATION		Chairs: Valentina Rizzi – Johanna Takkinen
16.40	Plenary discussion	
17.10	Discussion: voting exercise <ul style="list-style-type: none"> - Challenges and solutions for better response to foodborne disease outbreaks at national level and EU level - Poll to prioritise the challenges/ solutions - Feedback on the joint meeting 	
CLOSURE		
17.50	Conclusions	Johanna Takkinen (ECDC)
	AOB	
18.15	ADJOURN
