Staff Policy Plan 2009-2011

1. The Staff Policy Plan is a prerequisite to allow for a staff policy based on EFSA's tasks and requirements. It provides the information recommended in the Guidelines on Staff Policy in Regulatory Agencies (C(2005) 5304 of 16 December 2005) and all parameters in order to justify the requested draft establishment plan for 2008 to the Budgetary Authority. EFSA follows the model which was developed with the European Commission (DG ADMIN) and agreed on in the Agencies' Heads of Administration meeting on 29 June 2006.
2. The present Staff Policy Plan has also been provided to the Commission for comments.
3. The Staff Policy Plan 2009-2011 is presented to the Board and shall be adopted early next year.
