

SUPPLEMENTARY AND AMENDING BUDGET (SAB)

PRE-ACCESSION PROGRAMME TURKEY, CROATIA & MACEDONIA

1. The overall objective of the programme is to prepare Turkey, Croatia and Macedonia, for participation in all activities of the European Food Safety Authority (EFSA) involving Member States. The programme aims therefore at preparing the competent bodies in Turkey, Croatia and Macedonia, which are active in the fields relating to the work carried out by EFSA, for their future participation in EFSA networks. It will also contribute to (i) the creation of communication and information exchange systems, (ii) the transfer of knowledge on methodologies used in the fields within the remit of EFSA, in particular risk assessment and data collection and, (iii) to support Turkey, Croatia and Macedonia in their communication activities linked to risk assessment.
2. The programme is ultimately funded by the Commission which, through DG ENLARG, makes the funds available to EFSA through a contribution agreement amounting to EUR 0.5 million. The implementation of this Agreement which was signed by EFSA on 20 December 2007 covers a period of 12 months ending in December 2008. This amount will therefore be integrated into the 2008 budget to cover EFSA's actions and activities linked to this programme.
3. The total budget 2008, pre-accession budget included would therefore amount to EUR 66.4 million. The pre-accession budget would be allocated to the already approved revenue and expense items, as in the attached tables.

Now therefore,

It is proposed to the Management Board to approve the EUR 0.5 million Supplementary and Amending Budget related to the pre-accession programme Turkey & Croatia. The approval of the Board will trigger the creation of a corresponding appropriation under the specific budget line for enlargement within Title III and allow the start of the activities.

Statement of revenue of the European Food Safety Authority
