

FOLLOW-UP OF TRANSFERS (Art.23 Financial Regulation)

Under the provisions of Art.23 of the Financial Regulation, the Executive Director may make transfers from one article to another within each chapter and shall inform the Management Board as soon as possible of the transfers made.

In addition, the Executive Director may make transfers from one title to another and from one chapter to another within a total limit of 10% of the appropriations for the financial year.

The attached tables summarise the transfers made from articles to another or from chapters to another until the 31 December 2008. Since the previous information to the Management Board, no major transfers have been performed during December 2008.

Regarding the 10 % total limit applicable on transfers from one title to another and from one chapter to another, the figures are as follows:

• Transfers from Title I to Title II	: Title I to II	€	3.175.260
• Transfers from chapter to another	: Title I	€	111.000
	Title II	€	-
	Title III	€	1.119.700
	Total	€	4.405.960

The transfers made under the 10 % limit represent 6.7 % of the appropriations for the financial year. These transfers mainly concern:

- Transfer of € 3.175.260 from Title I to Title II, was possible as a higher proportion of new comers have joined EFSA during the second semester and therefore the budget for staff could globally be reduced and transferred to Title II. It served to anticipate the needs to improve building infrastructure and to foster the IT support related to data collection and processing software developments.
- Under Title III, the appropriations have been reallocated in order to increase the budget for scientific meetings in particular for the scientific cooperation and assistance (Datex, Praper and Zoonoses) for an amount of EUR 0.9 million.
